We all take the road . . .

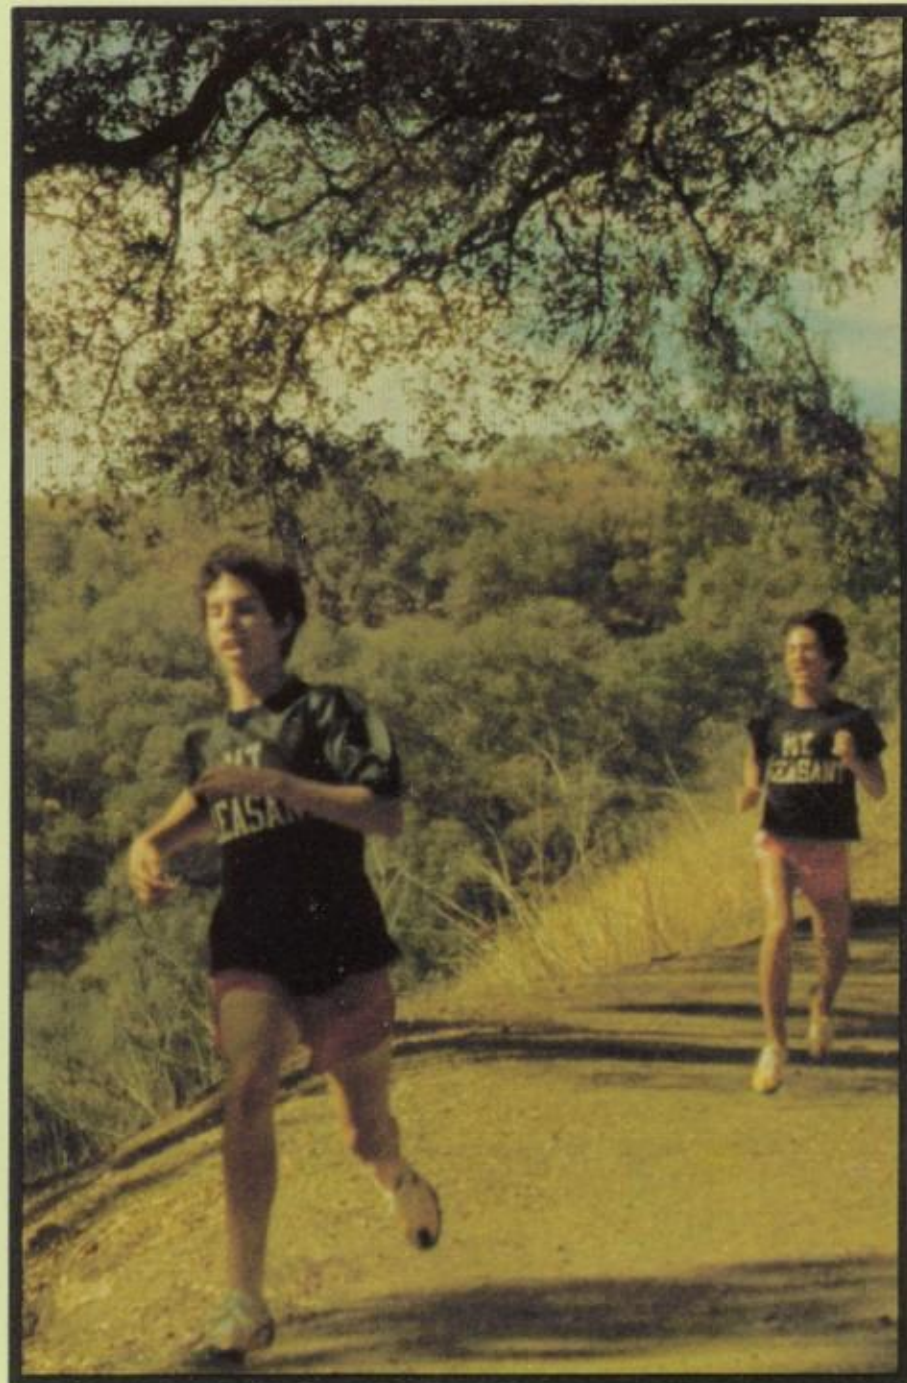

safe in the knowledge that we are not alone.

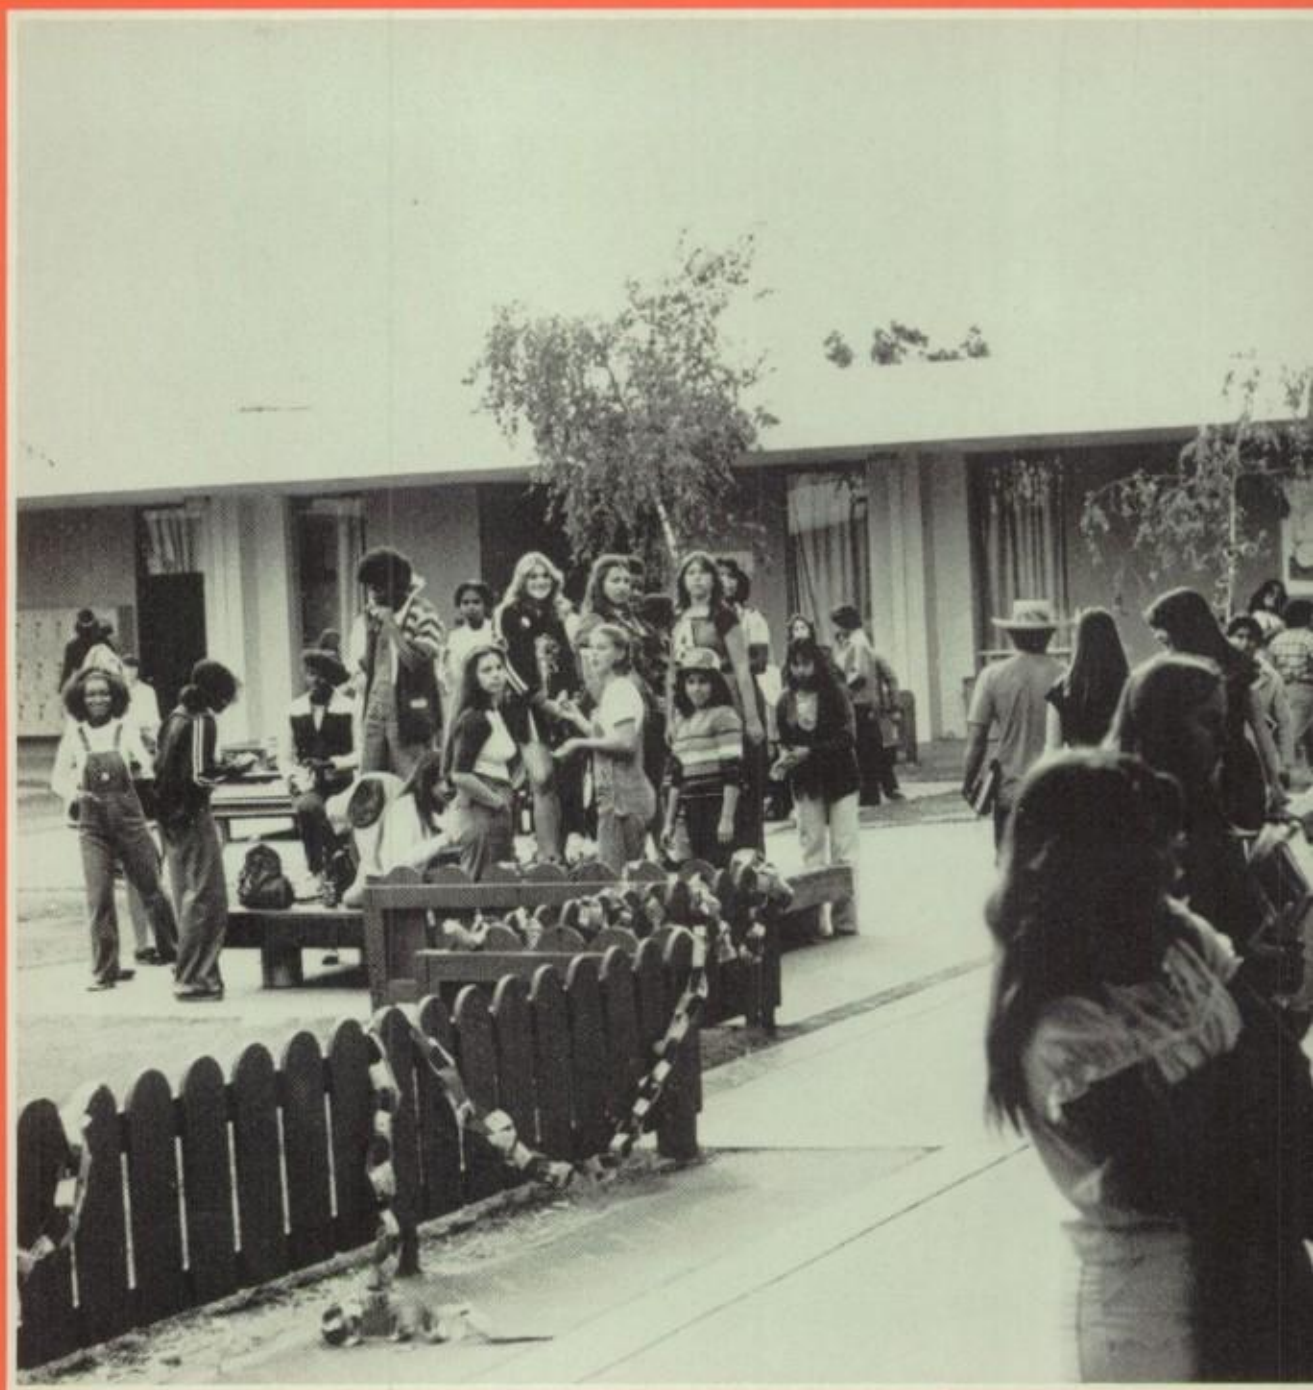

As we go on, we leave uncertainty behind,

and prepare ourselves to take different roads.

Athletics, clubs, and
other activities
beckoned us to leave
the well traveled road,

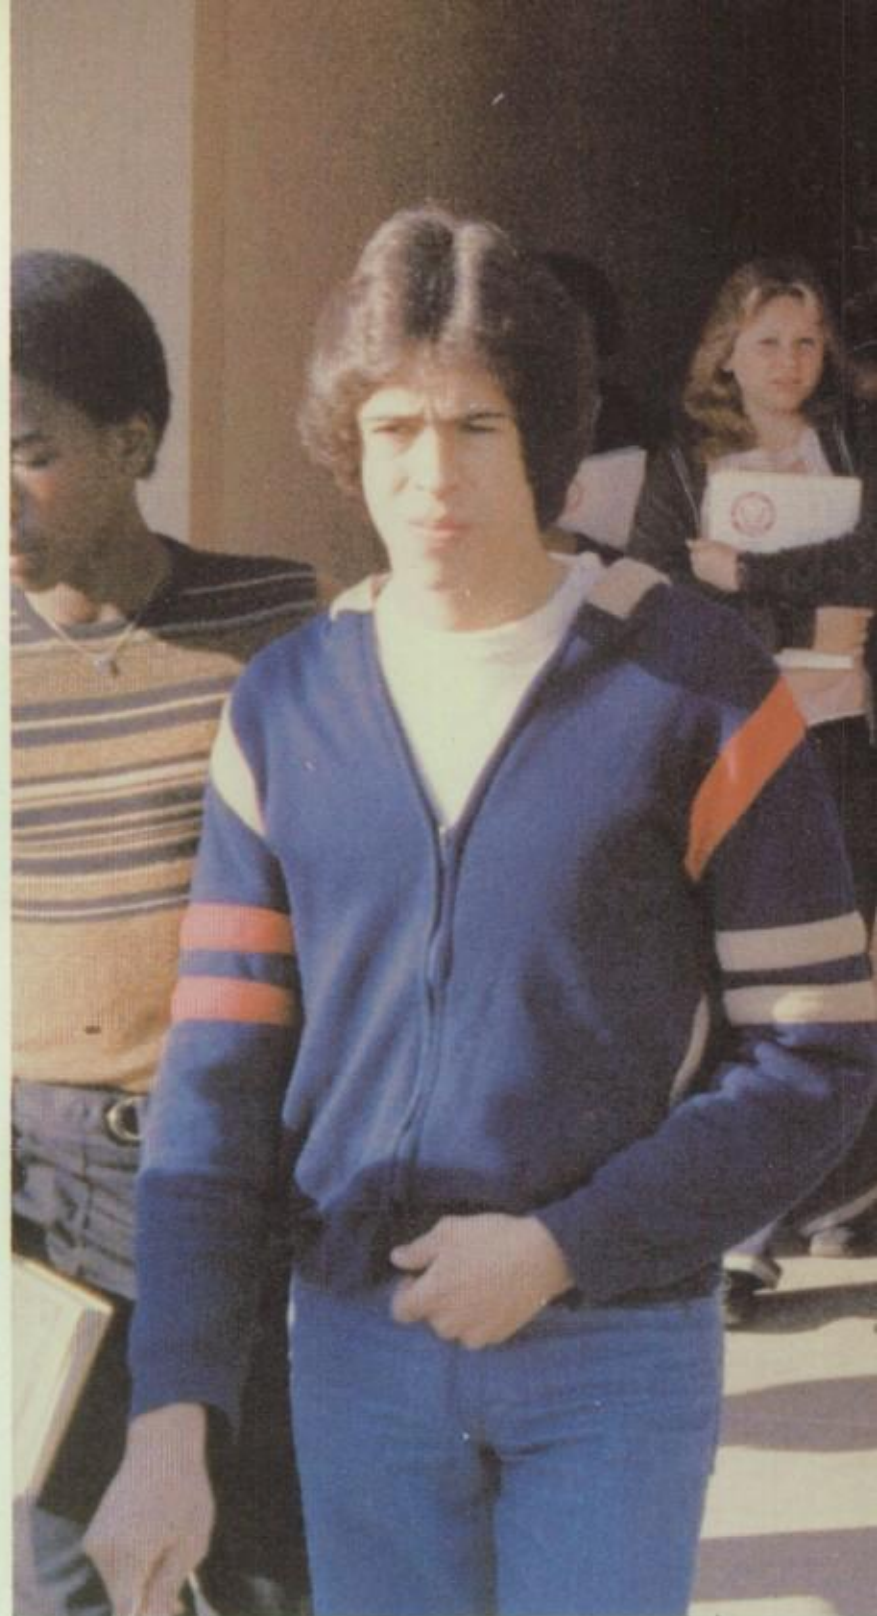

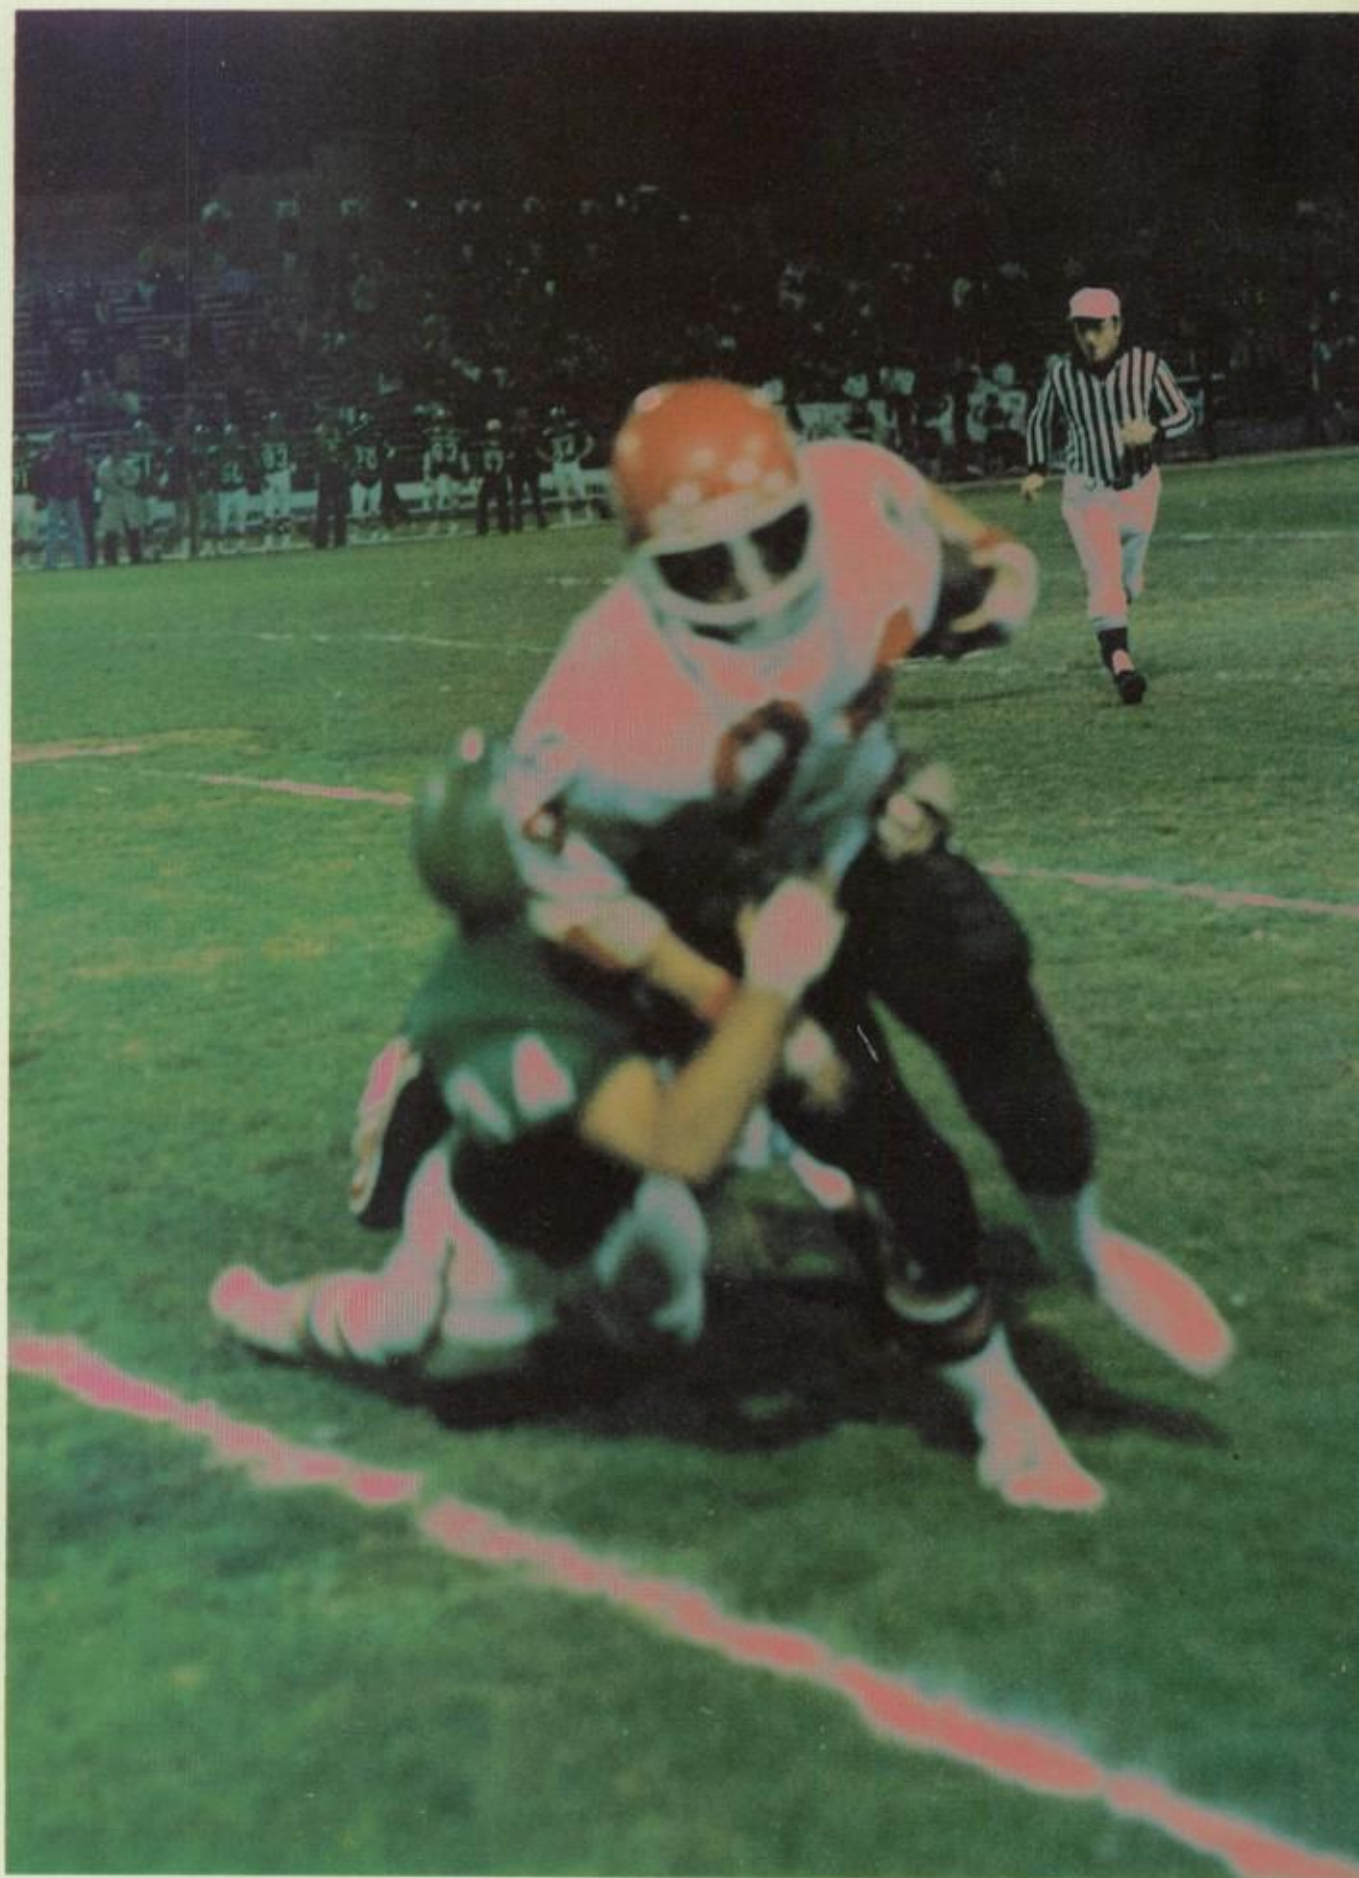

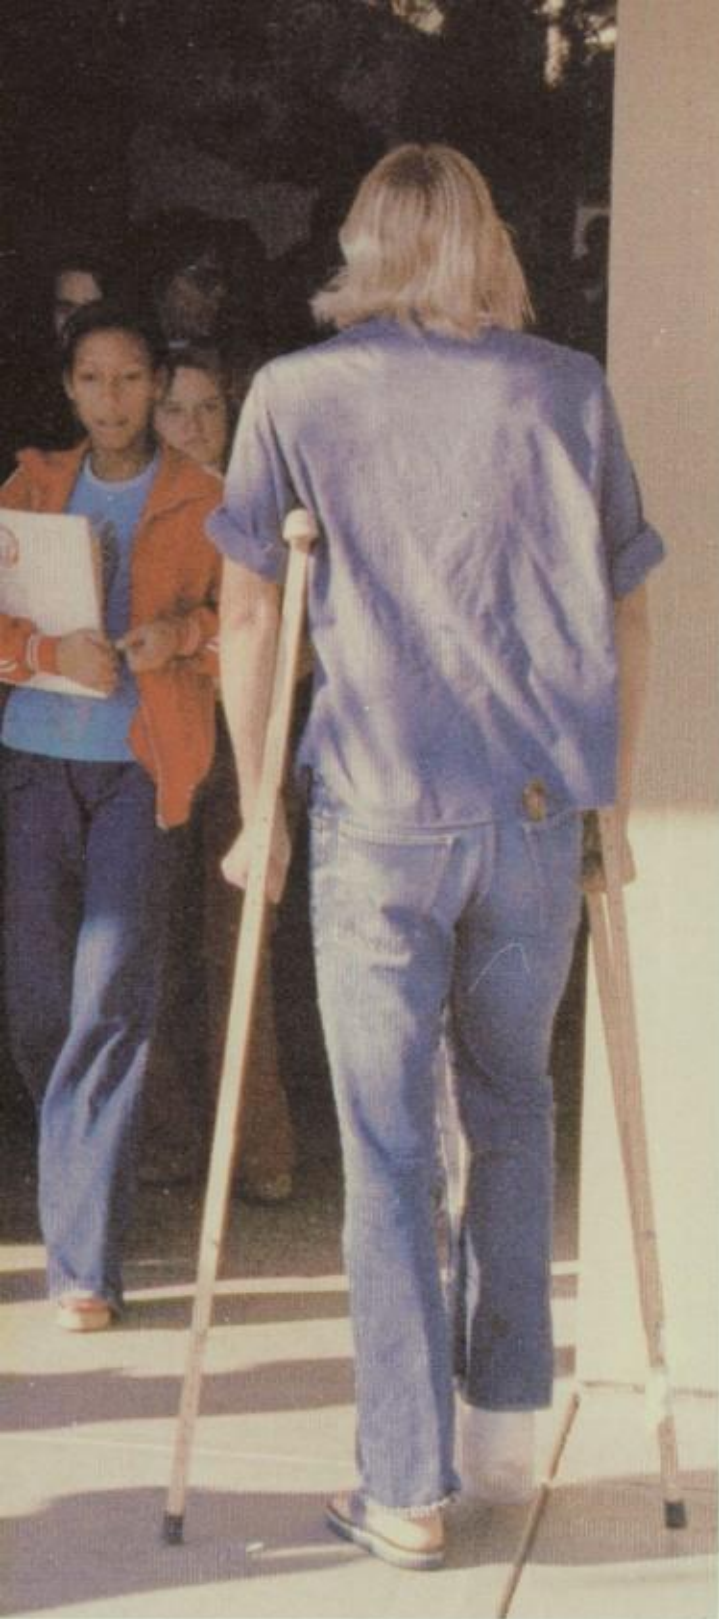

and join those in the road of
individuality

n togetherness.

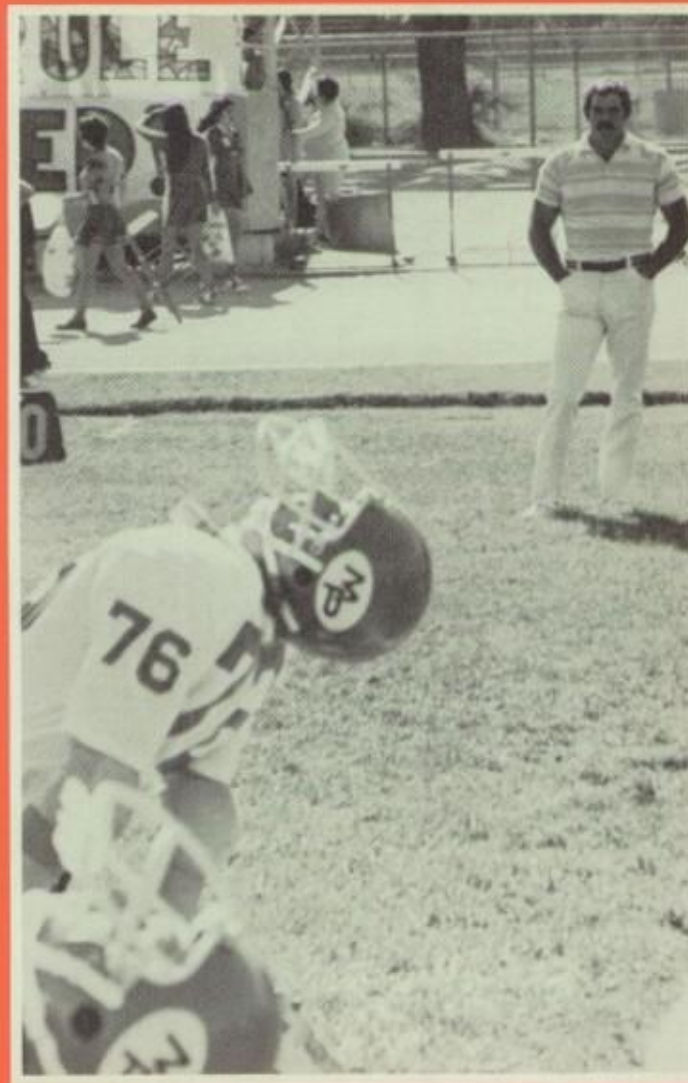

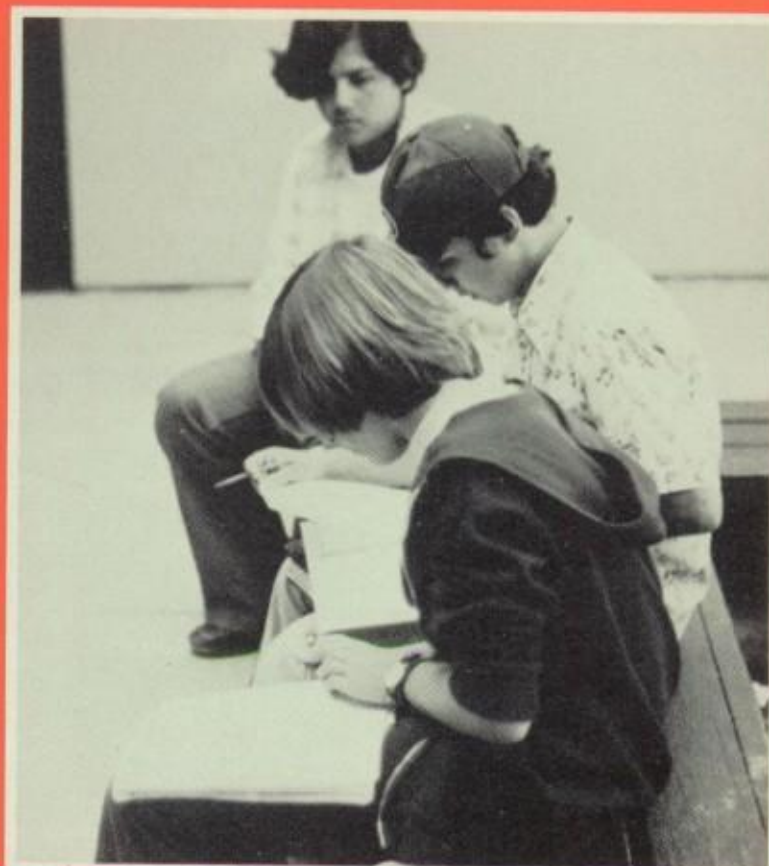

**Sometimes the way to go is difficult and
the road to take is not clear.**

Yet, we travel on, knowing the need to go one's own way,

no matter what road others may take.

DEDICATION

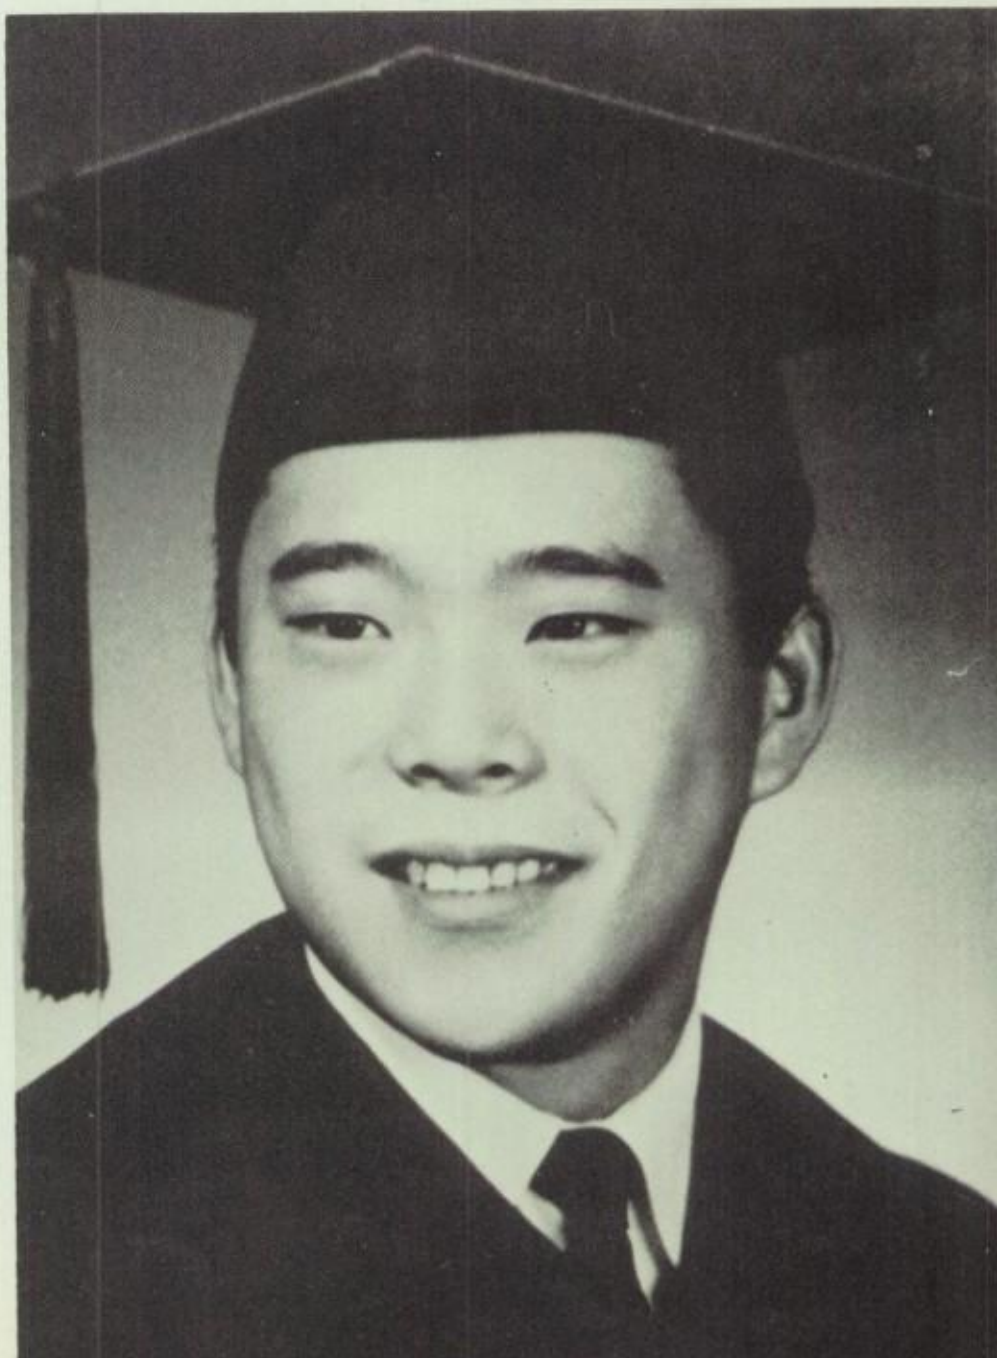

Mr. Yamaki was born in Honolulu, Hawaii and came to San Jose when he was thirteen. He then attended James Lick High School where he played water polo and broke a record on the swim team. After high school he went to the University of Santa Clara where he graduated with his B.S. degree. Two years later, he was teaching at Mt. Pleasant High School. He has taught Chemistry, Photography, and has been Yearbook advisor for many years. This year he became a full time counselor. He was married in 1972, and has two daughters, Adrienne, 2 and Lesley, 1.

Mr. Yamaki is an active member of the Mt. Pleasant faculty. Every year he helps out the yearbook staff with his traditional teriyaki selling at the Art Festival and Cardinal Holiday. He enjoys talking with the students at Mt. Pleasant, and if they have a problem, instead of giving general advice he lets them think it out for themselves. Mr. Yamaki understands students and helps them to understand themselves. He has something that is very unusual to find in a person, sincerity, acceptance, and understanding.

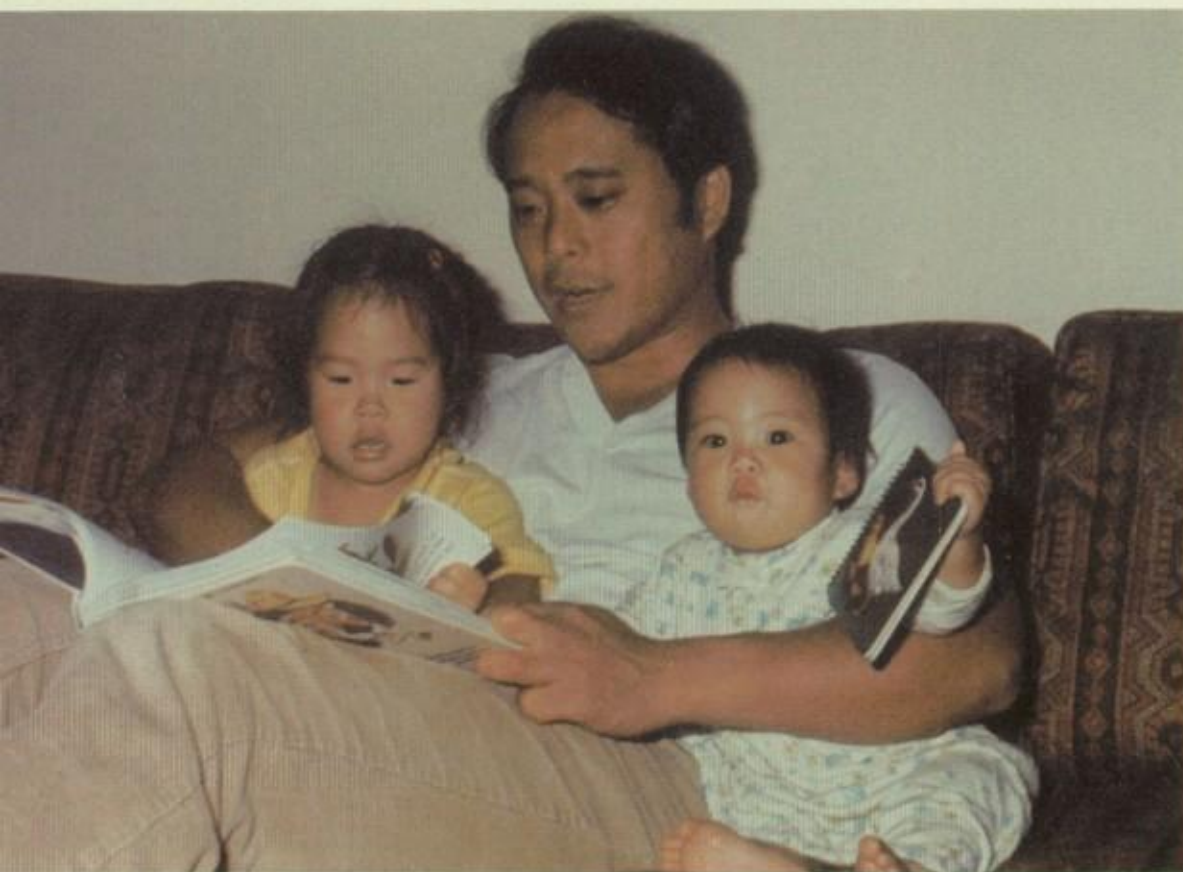

In honor of a man with more than dedication we, the student body and faculty of Mt. Pleasant, find it a great honor to dedicate this year's 1978 Cardinal yearbook to Mr.

Bill Yamaki.

I would like to take this space to thank all the people who worked very hard to smooth out the bumps and stumbling blocks which we have encountered this year. I want to especially thank Mr. Cordova for all his time and effort and Mrs. Balvanz for sharing her office.

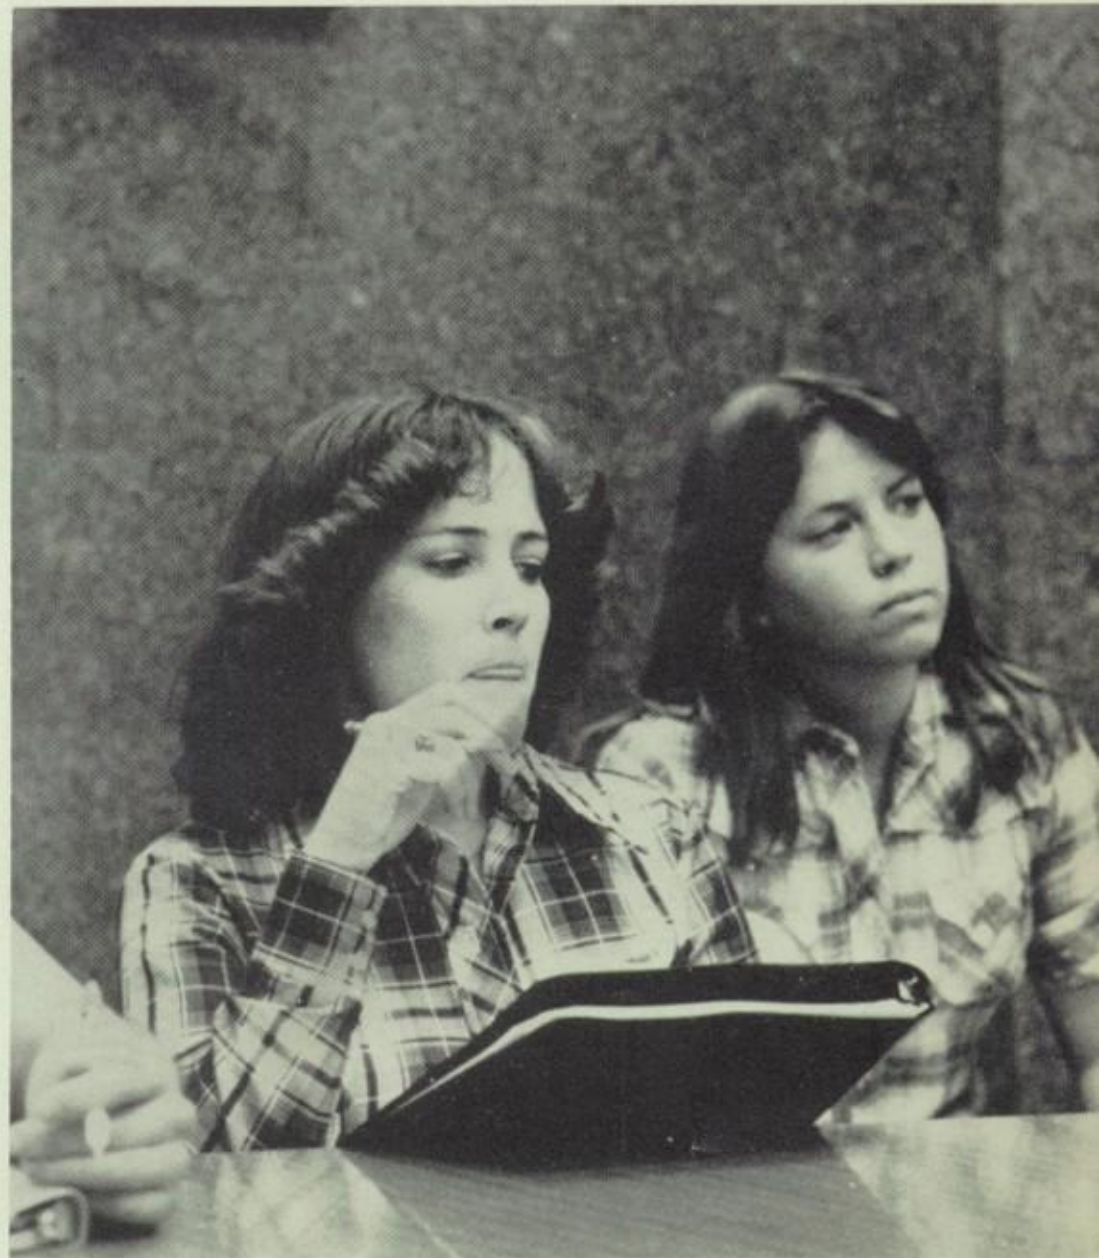

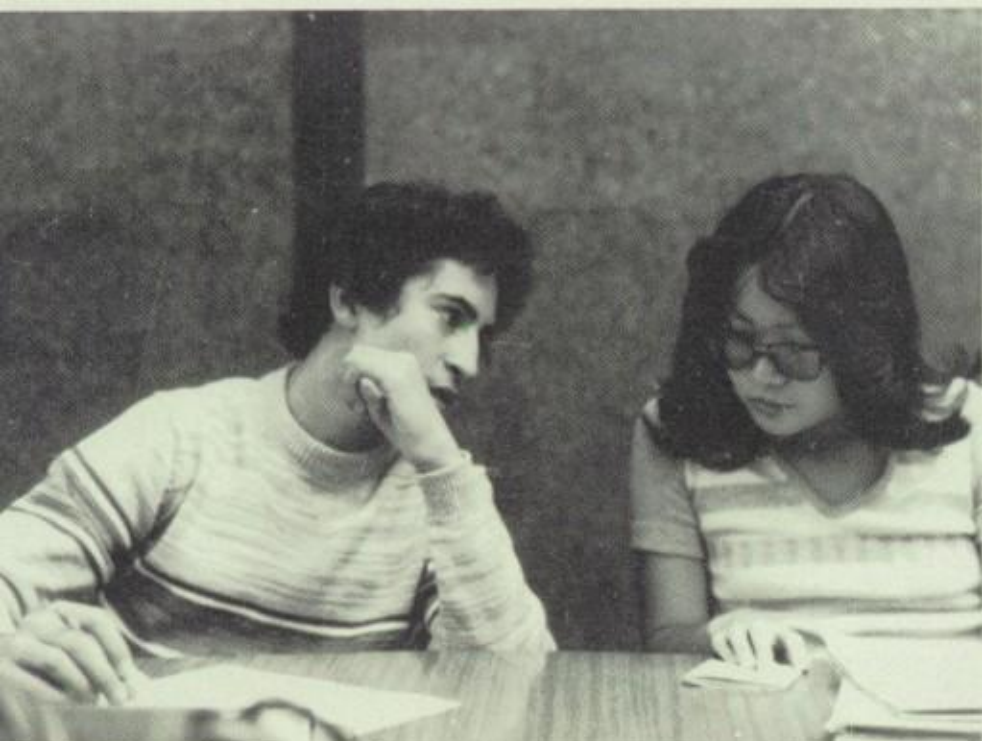

I hope that the Graduating Class of 1978 will find success in reaching his or her goals in the real world.

This has been an extremely busy year with many surprises and some unhappy moments, but I would not trade any of them away. To my successor, I leave what I hope is a legacy of strong foundations to build upon.

Once again, thanks

SONG GIRLS

Being a song girl this year was enjoyable and full of good memories. We worked hard all summer in preparation for camp and school. On the first night at camp we received the Spirit stick and later on brought it home along with the Unity award. We learned a lot this year, making compromises to meet each others needs, and being able to get along as a group. To each and every one of the song girls I wish them the best of luck in their remaining years at M.P. Be Good.

The 1977-78 Lettergirls had a very successful and rewarding year. Although there were not any returning Lettergirls, we went to camp and brought back over sixty "EXCELLENT" and "SUPERIOR" ribbons. We also received the Spirit stick two days in a row and brought it home on the last day. From day to day, we have come to know each other better and we have all become close friends. This is a special part of being a Lettergirl. We would like to thank Mr. Cordova, Mrs. Lillo, and all of the other Spirit Leaders for helping us to make this a year to be proud of.

CHEERLEADERS

Being a Cheerleader is a combination of many things, togetherness, friendship, spirit, and hard work. It is also going through the summers and the school year with six girls and six different personalities. We all had our ups and downs like any other group, but when it came to hard work and getting things done M.P.'s Cheerleaders always pulled through.

With our six personalities we were able to receive something no other Cheerleaders at M.P. received. At U.S.A.

Camp we were awarded something better than a trophy, something that only one school out of 50 schools could get.

This was a Unity Award along with two Spirit Sticks. I know this year is one year none of us will forget.

With this I say goodbye to Terri, Beth, Yvette, Sonia, and Jody, I also thank Mrs. Lillo and Mr. Cordova for their support.

Good Luck Future

J. V. CHEERLEADERS

With two returning freshman cheerleaders and two newcomers the J.V.'s did very well at camp. We brought back two "EXCELLENT" and two "SUPERIOR" ribbons. We also brought home the Spirit stick and the Unity award. It was hard for us to get off the ground, but once we got started we knew we had something good. Not only did we try our hardest to add to the school spirit, but we made a lot of new friends and had a lot of fun. We'd like to give special thanks to Mr. Cordova for helping us get started and to Elisia Tiano for helping us with our cheers.

As our Senior year comes to an end, we anticipate a new beginning. Some of us will start all over as freshmen in college; whereas, some will find jobs and just take it easy for a while. But just for a moment, look back into the past years. Many of us will remember when we were timid freshmen and how we wished we were seniors because they were so "outspoken" and "easy-going." During our sophomore year, we were still a little timid, yet we had made some new friends. In the course of our junior year, we began to come out of our shells and we began to grow closer together. As our Senior year approached, we realized why Seniors were so "easy-going" and that time had slipped through our fingers; we were nearing graduation.

Most of us are glad that we will be finished with high school, but when referring to high school we seem to mean the hours of sitting at a desk trying to understand what the teacher is talking about, tardy bells, boring teachers, chalk dust, losing books, or paying fines. However, we will leave behind, yet always have friends and most of all, memories of high school.

This year was rather hectic but we seemed to pull most things together. My special thanks to my fellow officers and special thanks to our teachers, advisors, Mr. Cordova, and counselors, especially Mr. Flanagan, our movie man.

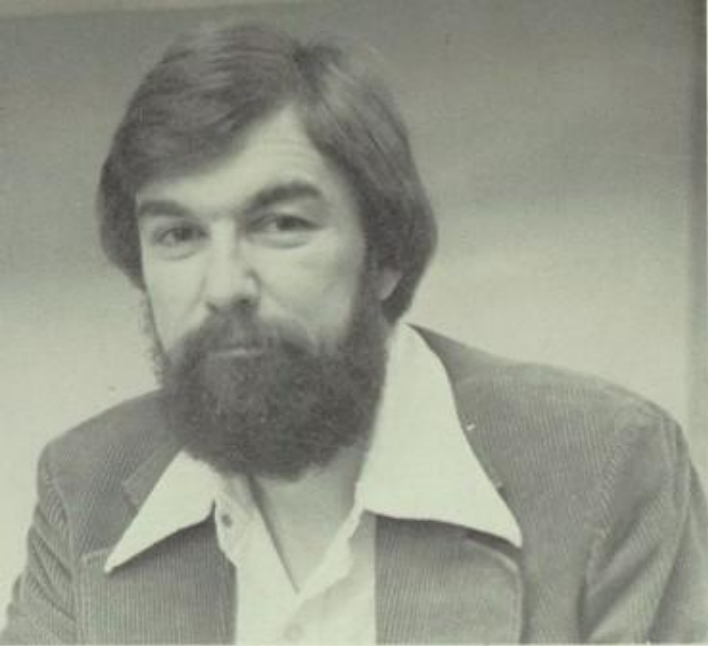

The road ahead of us offers many opportunities and it is up to you to decide which one to take. Whatever road you follow, Good Luck. Well Seniors, "Looks like we made it."

The 1977-78 edition of the M.P. Marching Band was very capably led by Drum Majors Norm Villanueva and Chris Hester with Becky Sepulveda as Color Guard Captain. Numbering over 120 members makes this the largest Band ever at Mt. Pleasant. The various activities of the group included University of Pacific Homecoming Parade, Los Gatos parade, and the Eastridge Christmas Parade. In October the band was invited to Stanford University to represent the Washington State University Cougar football team.

Several outstanding students contributed greatly to the Bands' success. Robin Kinoshita, Jeff Smith, Lori Shelton, Tom Naylor, Renee Weins, Peter Gounas, and Sal Garcia were all members of the Fennell Honor Band. Peter Gounas further distinguished himself by being selected as Soloist for the Santa Clara County Honor Band and as a member of the California State Symphonic Band.

The 1977 Cardinal Football Team was made up of outstanding young men who worked hard and showed drive and stamina against many formidable opponents. A season highlight was the goal line stand against a strong Yerba Buena offense, a fine example of the determination shown over the entire season by our players.

The captains were Dan Arellano and Rod Dawkins. Dan was hurt and unfortunately missed the rest of the season. His absence meant a shuffling of personnel. Charles Graves and Doug Wilson were moved into new positions and showed themselves able to meet the challenge.

Quarterback duties were shared by Shawn Eagan and Louis Apodaca. Both had the abilities to throw. Receivers were Rod Dawkins, Wes Maxwell and Eric McPherson. At some point in the season, all received double coverage.

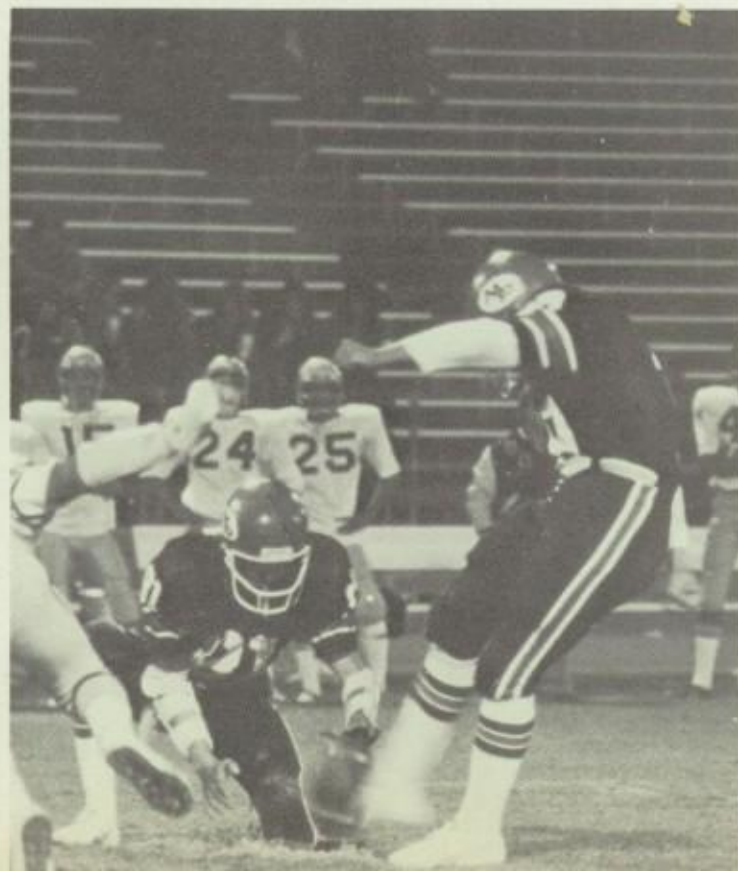

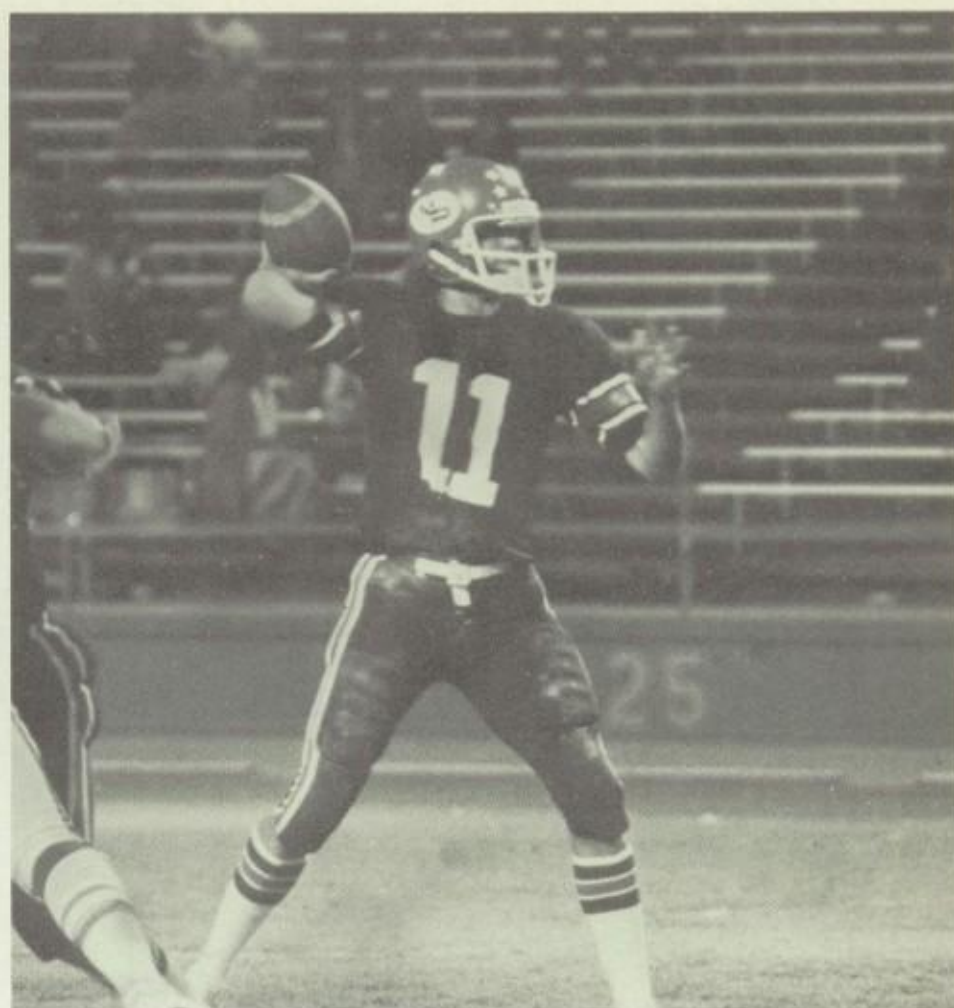

In the offensive line, Angel Ruiz and Ron Hersey were the main men, opening big holes for running backs Steve Campbell, Aaron Enright and Doug Wilson.

The future looks great, with many returning players. Eric Bigelow shows great promise at guard, and John Halley will be one of the finest linemen in the league.

With returning men like Tony Roach, Jim Romero and Jose Viramontez, the Cards will be shooting for a bigger piece of the pie next season.

The offensive unit was led by quarterback Ray Jones, and Darryl Drane. The running chores were handled by Travis Dunson and hard hitting Larry Marquez. The defensive unit was led by two of last year's outstanding freshmen, Randy Rocha and Ruben Johnson. Most of the J.V. starters this year were freshmen starters last year; and two year's of football should help the Varsity team next year a great deal.

TOP TO BOTTOM: Touchdown; Cards are on the move; Planning out the next play; another win for the Cards.

The Freshman Football Team will be remembered as a hard working unit. The Cardinals finished with three wins and four losses but ended the season with very competitive spirit. The hard running and blocking of Chet Sharboneau and Chris Bigelow was a great combination for the Redbirds. The receiving of Derek McPherson, John Duran and Fred Puentes drove defensive secondaries wild. The consistent kicking and deadly strikes of Quarterback James Le Masters and Greg Poppin contributed greatly to the team. The linemen were led by the hustle of Jerry Valenti and Steve Francis. Opponents were dropped for losses by defensive guards Dan Dominguez and Greg Martinez. Both defensive and offensive players Ricky Fisher and Andre Singleton also contributed to the Cardinals three shutout wins. It was a pleasure working with these young men and even more rewarding to watch them mature into Varsity calibre.

Winning the league championship for the first time in the history of the school was certainly the highlight of the season for the Varsity Water Polo Team. After winning the league the team advanced to the top six in the Central Coast Section Championships.

The Team was led by the league MVP, Norman Villanueva, and first team selections Steve Lynn and Noel Villanueva. In addition goalie Kirk Shaffer was named to the second team all-league. Norman, Steve, and Kirk also received recognition as 1st team, 2nd team, and honorable mention All-COS respectfully.

The Mt. Pleasant water polo program will certainly miss the services of their best ever group of seniors. Joining Norman and Steve in graduation this year will be John Bean, Tony Chimienti, Jim O'Brien, Mike Rentillo, Brett Ritchie, and Kevin Sinclair. All of these seniors were very instrumental to the success of the team.

In an effort to maintain our winning ways the juniors will be working very hard in preparation for next season. Shaffer and Noel will be joined by Tom Swanson and Doug Roderick. Tom Smith also a junior will be lost to early graduation. These juniors along with the hard working group of sophomores from another championship team, should enable the water polo program to continue in its quest for a second championship season.

The Frosh-Soph water polo team ended the season as league champions for the third consecutive year. In addition, the team finished second in the Annual Monta Vista Frosh-Soph Tournament. This was quite an accomplishment since the tournament is composed of the top Frosh-Soph teams in the Bay Area. Tony Barreras was selected to the all-tournament team and also as the team's most valuable player.

Expected to help the Varsity next year along with Barreras will be Scott Munro, Dave Delgado, Steve Potts, and Jeff Smith. Leading next year's Frosh-Soph team will be Simon Garcia, Bob Nichols, Whitney Miles, and Mike McCormick.

CROSS COUNTRY

This year's Varsity Cross Country Team was M.H.A.L. Champions for the ninth time in the history of Mt. Pleasant. The Cards were led by Junior Carlos Carrasco, a sophomore All American last year, Sophomore Felix Soto, who took third place in the C.C.S. this year, and Junior Mark Torres, whose third place finish against James Lick gave us the Championship.

Also, having outstanding performances were Juniors Luis Garcia, David Nava, Ken Okumura, David Lepori, and Senior Owen Salfen. Things look very strong for the Cards next year as everyone except Owen Salfen will be returning.

TOP ROW: T. Portillo, S. Hunt, D. Coyne, B. Crayes. BOTTOM ROW: D. Barrios, E. Garcia, H. Sarabia.

This year's Freshman Cross Country Team had a winning season but lacked the overall depth to win the Championship. We had one of the outstanding Freshmen in the League in Ernie Garcia. Ernie was unbeaten in dual meet competition. David Doyne, Henry Sarabia, Tom Portillo, Danny Barrios, Pete Lonerio, Broderick Crayes, Stanley Hunt, and Mike Pichardo rounded out the team. With a lot of hard work this upcoming summer, this could be another find group.

This was the first year of competition for girls in Cross Country, and the Cards had three girls complete the season. They were Denise Gonzales, Sandy Arredondo, and Diane Gidley. All three girls will be returning next year. Chris Hester competed for a while until she injured her ankle. We expect a large number of girls out for Cross Country next year, and with the likes of Denise, Sandy, and Diane back, we will be a factor in the title race. Congratulations on a fine season ladies.

Entering the meet as underdogs, the Cards had outstanding performances from Eugene Sanchez, Warren Mau, Brian Mendez, Leon Evans, and Super Freshman, Ernie Gercia who was brought up to the JV's for this meet. This fine group of young men will give a lot of added balance to next year's Varsity Team.

Mt. Pleasant's frosh-soph basketball team displayed a fine balance of individual performance and teamwork. Sophomores Charles Hall, Chris Leggett (Captain), and John Harrell showed leadership ability as well as physical ability.

Freshman starters David Canchola, Vaughn Raines, and Henry Fangonilo have developed into a fine nucleus of talent. These young men (along with Joel Daysog, Robert Smith, Tony Poree and Tommy Hubenthal) showed the necessary courage and team play required of an excellent basketball team.

The Varsity Soccer Team this year had an abundance of talent, put it all together, and had a championship season. The squad worked as a cohesive unit to destroy all of their opponents.

Co-captains, Steve Lynn and Ben Law, both played level-headed soccer and kept the team spirit alive. All League Bests, Mile Donaldson, Antonio Ferreira, and Roosevelt Ferreira, kept the center of the squad powerful as did Manuel Goulart and Mike Hubenthal on defense. Javier Loera, Tony Soto, Luis Garcia, and Carlos DeSousa all played outstanding soccer as did our goalkeeper, Randy Changco. The Mt. Pleasant Soccer Team now is a team that has earned the respect of all the other teams in the league. We'll be back next year with another strong squad.

Coach Lovato

I wish to personally thank all the players for my best year yet in coaching soccer.

In my first year as Frosh-Soph soccer coach, I was very impressed by the soccer program here at Mt. Pleasant. This years team had its ups and downs, but was always in contention.

Co-Captains Tony "T-Bone" Hall and Anthony Castelo were returnees from last year's squad as were Emilio Garcia and Rick Rodriguez. Standouts for this years team included Ricky "The Fish" Fisher, Jose Ferreira, Ernie Garcia, and our fine defensive unit — Brian Isaac, Robby Espinoza, and Marvin Evans.

Next years team promises to be strong again with the many returning freshmen. Again we promise to be a league contender.

I want to thank Coach Lovato for all of his help for my first coaching year.

The 1977-1978 Varsity Wrestling Team was faced with the task of rebuilding. With only three seniors on the team, the matmen experienced a dismal season. However, there were many exciting moments produced by several outstanding individuals. The individuals were: Sophomore, David Eggert; Senior, Dietrich Gage; and Junior, Erich Bigelow. The Cardinals are currently 5-9 with one league match remaining in the season.

FROSH-SOPH

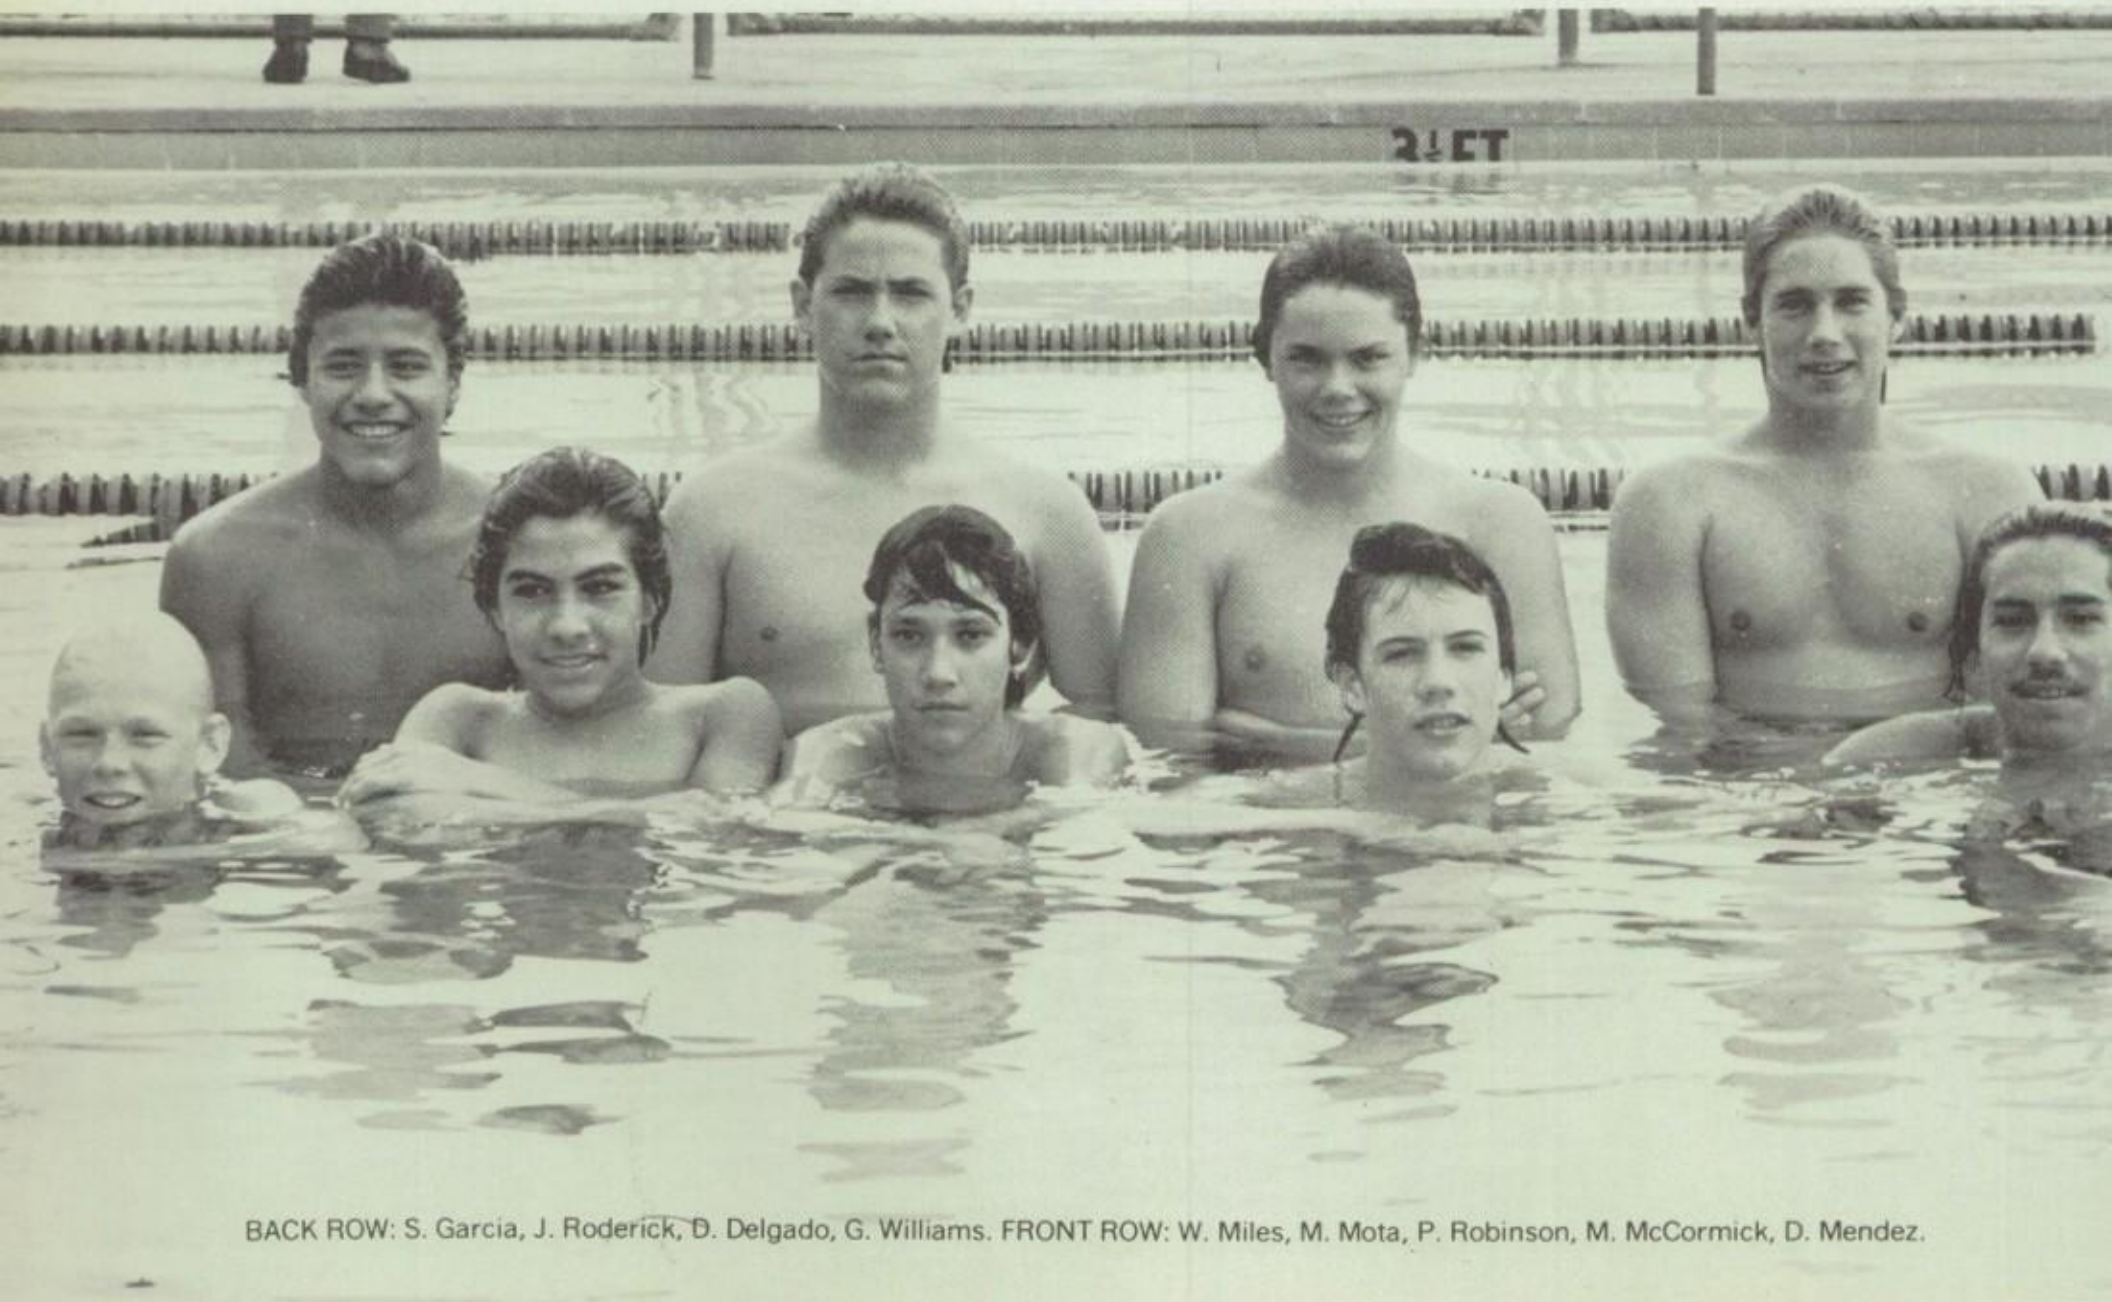

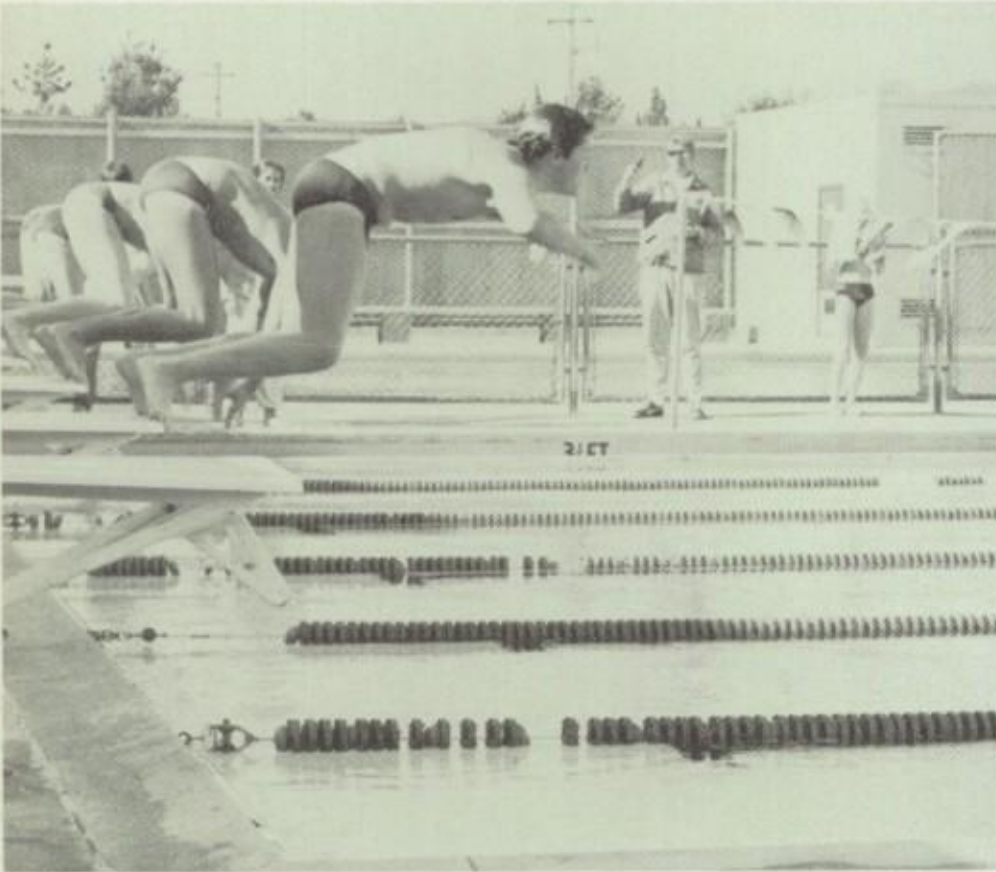

The Frosh-Soph wrestling team has made considerable improvement over the past season. Led by the talent of Ralph Vitales (114), Steve Payne (147), Chris Bigelow (167), Joey Viramontez (177), and Joe Wells (heavyweight) the matmen are on their way to clinching a Southern Division Championship. The league championship will be determined at a later date too late for press time. However, the potential of this team will develop Mt. Pleasant as a possible contender in future years. One of the many highlights of the season was a fourth place finish in a tournament of thirty-four schools at the annual Silver Creek Frosh-Soph Tournament.

The 1977 Varsity Swim Team was relatively small compared to teams of the past. Leading the team were seniors, Norman Villanueva and Steve Lynn; juniors, Tom Swanson, Noel Villanueva and Mike O'Conner; sophomores, Scott Munro, Tony Barreras, Jeff Smith and freshman Bobby Nichols. Adding to this team were divers, Jerry La Frinere, Karl Clinger, Gilbert Chavez, Greg Poppin, and Rick Martinez. The frosh-soph team was led by Dave Delgado, Greg Williams, Whitney Miles, and Simon Garcia. In the annual intersquad pentathlon, the Varsity division was won by Norman Villanuava and the frosh-soph division was won by Scott Munro. This young team shows much promise for the future.

This year's Varsity Tennis team will be a very young and inexperienced one. We lost six out of nine starters from last year's team.

Fortunately, we still have Landon Nishimura who is not only a possible league champion this year, but also one of the top junior players in the valley. The other Varsity experienced players returning are Senior Mike Donaldson, and Junior Benjie Dela Rosa. In addition, we have Juniors Ray Jocelik, and Roger Kaeo who have made great improvement since last year, and should give us the depth that we need for a championship this year. To compliment these returning veterans, we have a fine group of new incoming players. Juniors Eldred Felias up from the J.V., and transfer Mike McCullough will give us the depth we need to back up a starting singles position. Senior Gil Venegas, also up from the J.V. team will be counted on to lead our doubles teams. Freshman Ricardo Hernandez, Eric Villarreal, and Robert Kaeo show great promise and will prove to be an asset to the team, in their first year competition. In addition, Junior Vic Lara will step in and bolster one of our doubles teams. Sophomores Leland Lowe, and Roger Perkins who have also shown signs of greatness on the tennis court, will also step in to fill the remaining doubles positions.

Despite the fact that we are primarily an inexperienced team, the players have already exemplified the will and character of a championship team. Only time will tell whether those characteristics were justified.

The Cardinal Varsity baseball team had a highly successful 1978 season. The team placed well up in the Mt. Hamilton Athletic League southern division.

The mainstay's of the Cardinals' offensive attack were seniors Dave Mordwinow, Raul Ray, Jose Martinez, Robbie Rocha, Jerry Payne and Larry Aquino. The team had an outstanding group of underclassmen to back up these fine senior players. Mike Espinsa, Rudy Silva, Sal Garcia, and Ken Boyer helped to make the 1978 baseball season VERY SUCCESSFUL at Mt. Pleasant.

The Frosh-Soph baseball team has many talented players to form an excellent nucleus for a fine ball club this year.

Only two players returned from last years team, pitcher and third baseman, Randy Rocha and shortstop Randy Ruiz.

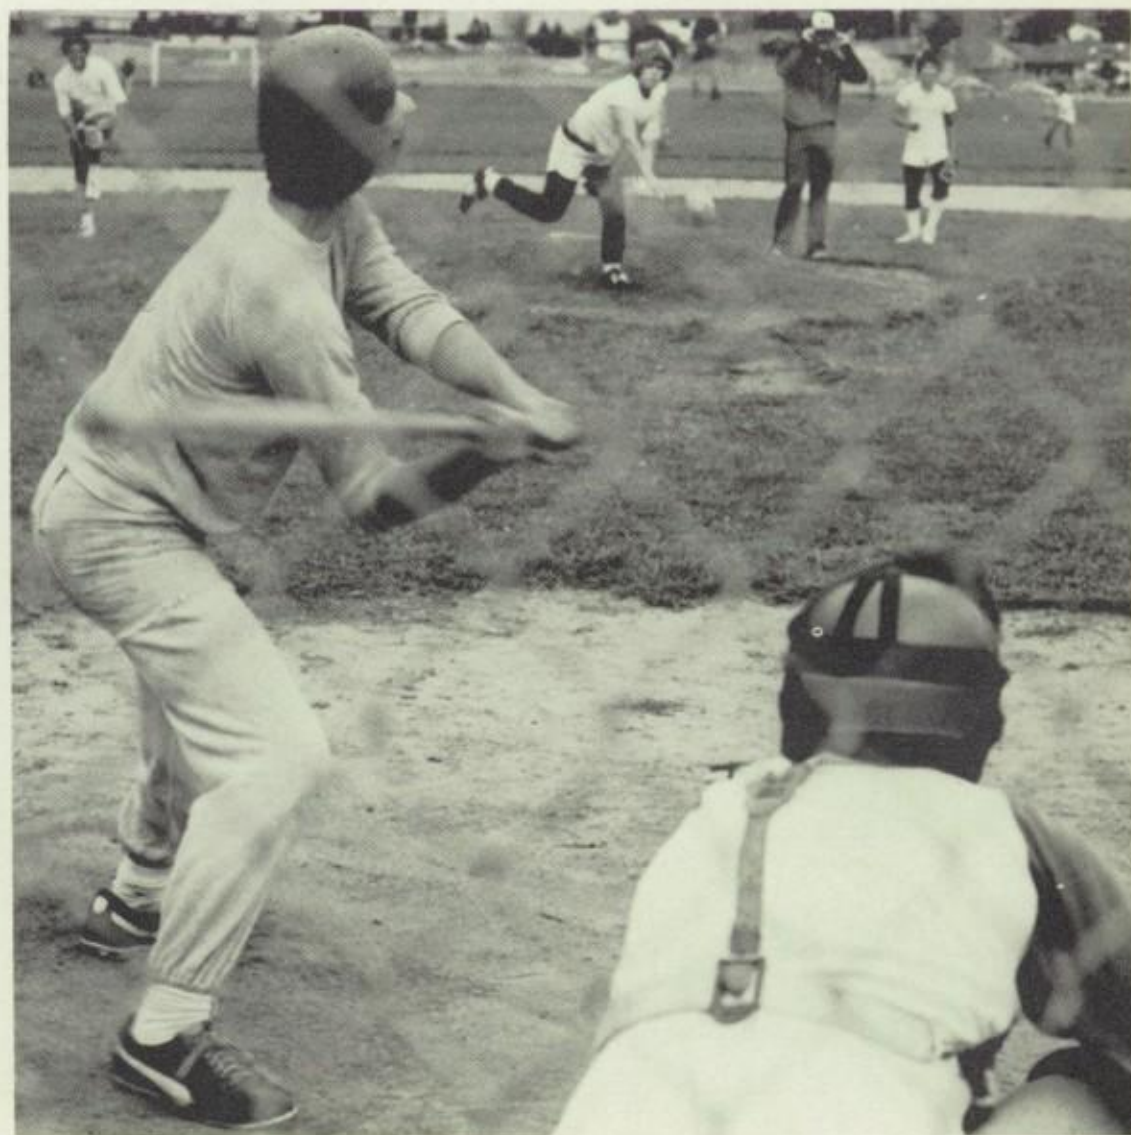

Other players making up an important part of the team are Robert Moreno, at first base; Robbie Espinoza and Robert Garcia at second base; Fred Puentes at shortstop; Randy Rocha and Kirk Johnson at third base; and Tim McGraw at catcher. In the outfield are John Duran, Dave Canchola, Reuben Johnson, Chris Manocap, and Larry Marquez. The pitching staff is especially strong with Randy Rocha, Robert Garcia, Randy Ruiz, Steve Arends, John Duran and Dave Canchola.

This should be one of the best years yet for Frosh-Soph baseball at Mt. Pleasant.

This year's Varsity Track Team will be shooting for its eighth straight league championship. Leading the Cards in the hurdlers will be Troy Durio, Eric McPherson, and Tim Curry. Rod Dawkins, Carlwell Hathorn, and Tony Deal will be handling the sprint chores. The middle distance will be one of our stronger areas led by quarter-miler Derrick Carter and half-milers Reggie Green, Shawn Eagan, and Calvin Allen. The distance men will be composed of Carlos Carrasco, Felix Soto, Mark Torres, and Paul Carrier.

In the field events CCS championship Joel Wyrick will be shooting for 7'0" in the high jump along with Greg Monroe. The jumping events will be led by Joel Wyrick, L B Wallace, Calvin Allen, Ken Okumura, Hosenburg Pereira, and Matt Taylor. The weightmen will be led by seniors Angel Ruiz, Jeff Diaz, and Dan Arellano along with juniors John Halley, Luis Apodaca, and Brian Miller. Jim Vargas will be shooting for the Varsity Pole Vault record.

The 440 and mile relay starts with Reggie Green, Rod Dawkins, Derrick Carter, Troy Durio, Eric McPherson, Carlos Carrasco, and Joel Wyrick. They all have an excellent chance at making the state meet this year.

This outstanding group of Mt. Pleasant young men have an excellent chance of winning the schools second CCS track title.

COACHES, L to R: Peterson, Callaghan, Kelly, Garcis, Padilla, DeDiego.

This year's frosh-soph track team will be shooting for its fifth straight undefeated season and league championship. This year's team is relatively new, but they show the great determination and desire that is needed to win a track championship.

Some of the top prospects on this year's team will be: Rich Cummings in the hurdles, Del Drane, Harry Campbell, Keith Walker, and Bobby Listr; in the sprints, Greg Marshall, Marichal Gilbert, and David Wells; in the middle distance, Warren Mau, Ernie Garcia; and Eugene Sanchez in the distance.

Field event performers leading the way will be: James Romero, Chet Sharboneau, Robert Robertson, John Harrell, Vaughn Rainer, Pete Hazley, Rick Gaver, Neil Churchill, and Jim Bigelow.

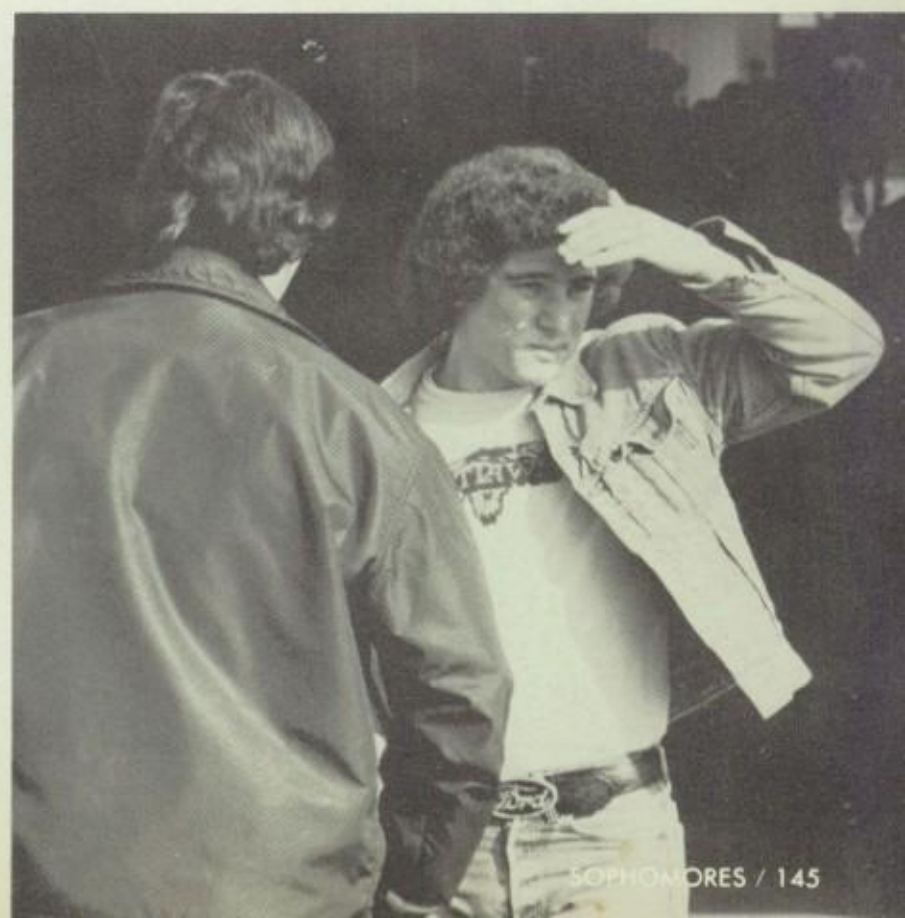

1st ROW: Upson, Hazley, Gomes, Wells, Robertson, Garcia, Hughes, Ruiz, Hubenthal. 2nd ROW: Lister, McGinness, Fisher, Okumura, Churchill, Bigelow, Valenzuela, Wormuth, Fonseca, Tafoya. 3rd ROW: Harrell, Romero, Raines. 4th ROW: Cummings, Poreé Mau, Scott, Romero, Jacobo, Vara.

On the second summit of their journey, the sophomores started to take diverging paths. Eager to see things from as many different vantage points as possible, they avoided things they already knew and explored places they had never been before.

The 1977 Girl's Varsity Tennis Team has shown outstanding progress with a 7-3 record which placed the team in 2nd place in the southern division. This year's team consisted of seniors Darlene Kitajima, Carla Oberdick, Karen, Kinnshita and Karen Knauss; Juniors Rhonda Bailey, Valerie DeFiesta, and Joselyn Daysog; Sophomores Julie Burton, Lori Mack, Carolyn Havis and Kathy Hernandez; Freshmen Kelly Bailey and Karen Rocha. Since this was Mr. Archer's last year of coaching the team, the girls put forth an extra effort to make his last year worth remembering. Next year's team shows much promise with nine returning girls, and after two years of placing second in the league, the team feels that sophomore Julie Burton will go on to take the league next year. And the team wishes to give their sincere thanks to Ricardo Hernandez and to all the others that helped.

Julie Burton

TOP ROW, L-R: Coach Archer, P. Rowe, K. Knauss, K. Hernandez, C. Oberdick, C. Havis, J. Burton, D. Kitajima. BOTTOM ROW, L-R: J. Daysog, K. Rocha, R. Kinoshita, L. Mack, V. DeFiesta, R. Bailey.

Coach Moak and team members.

This year the Girl's Varsity Volleyball Team had a better season than 1976. We had only three returning Varsity players, thus it was a building year. Three of the players went to volleyball camp which helped tremendously. A number of our matches were very close. Some outstanding offense and defense was played by the team. Next year we will have five returning members and some outstanding potential from the JV team thus we will look forward to a better season.

TOP ROW, L-R: Coach Moak, D. Lewis, L. Leasi, C. Salas, A. White, D. Miller, C. Martinez. BOTTOM ROW, L-R: S. Albin, R. Dawkins, A. Garcia, V. King, D. Fox, S. Nance.

TOP ROW, L-R: M. McBride, T. Wyrick, J. Holbert, C. Salas, A. Law, A. Gage, Coach Lentz. BOTTOM ROW, L-R: E. Smith, S. Nance, T. Coronado, M. Flowers, W. Ashley.

Our Mt. Pleasant JV Volleyball team has not only had a fine season but we have enjoyed the unique experience of really learning to work together and help each other because we care. We started out with one returning player from last year; Tina Coronado, who has been our team captain. Tina's fine spirit and enthusiasm was a great help in building the close relationship we all shared. Michele Flowers, Marion McBride, Aneita Gage, Toria Wyrick, Sandy Nance, and Tina, along with Jolene Holbert and Connie Salas worked very hard to bring us the fine season we had. Michele Smith faithfully kept stats for us and all together we enjoyed great volleyball with some fine teams in our league. It really has been a season to remember.

TOP ROW, L-R: Coach Kelly, A. Chadwick, D. Barnhart, D. Summers, D. Cummack, M. Goulding, B. Glass, M. McBride, S. DeLaGrange, A. Priobe. MIDDLE ROW, L-R: D. Przybylski, J. Barney, L. Duus, M. Angulo, L. Camerna, C. Craddock, C. Bartness. BOTTOM ROW, L-R: D. Sinclair, R. Martin, J. Howell, M. McBride, L. Gonzales, K. Eliason, P. Fredericksen, D. Neu, S. Ellis.

The Varsity Swim Team acquired an overall record of 3-4 and a third place finish in the league.

Senior Maureen McBride took a first place at league diving finals and qualified for Region III competition.

The Varsity 200 Medley Relay Team with Lisa Duus, Mary Goulding, Beverly Glass, and Karen Eliason swam to a ninth place finish at league finals.

The Varsity 400 Free Relay Team with Robin Martin, Susan DeLaGrange, Mary Goulding and Beverly Glass swam to a seventh place finish at league finals.

The Varsity swim team will lose seniors Mary Goulding and Beverly Glass next year, but hopes to replace them with some of this years Junior Varsity swimmers.

The Junior Varsity Swim Team had an excellent year with an overall record of 6-1. The girls swam to a second place finish in the league and a first place team finish at league finals.

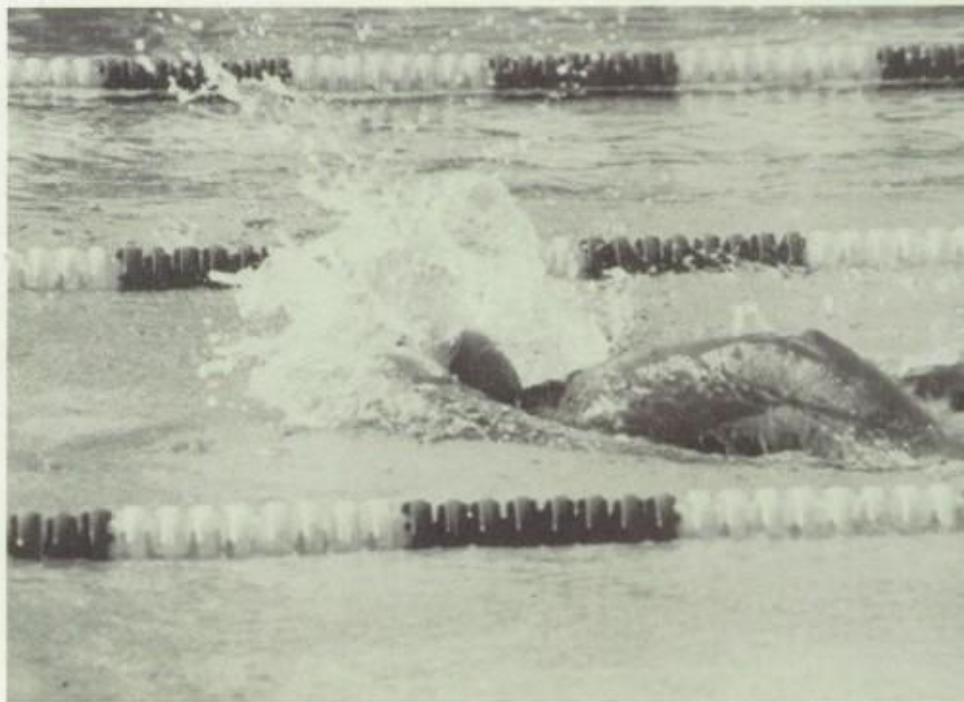

Freshman, Kris Craddock proved she was the fastest backstroker in the league by taking first place in both the 50 and 100 yard backstroke and qualifying for C.C.S. in both events.

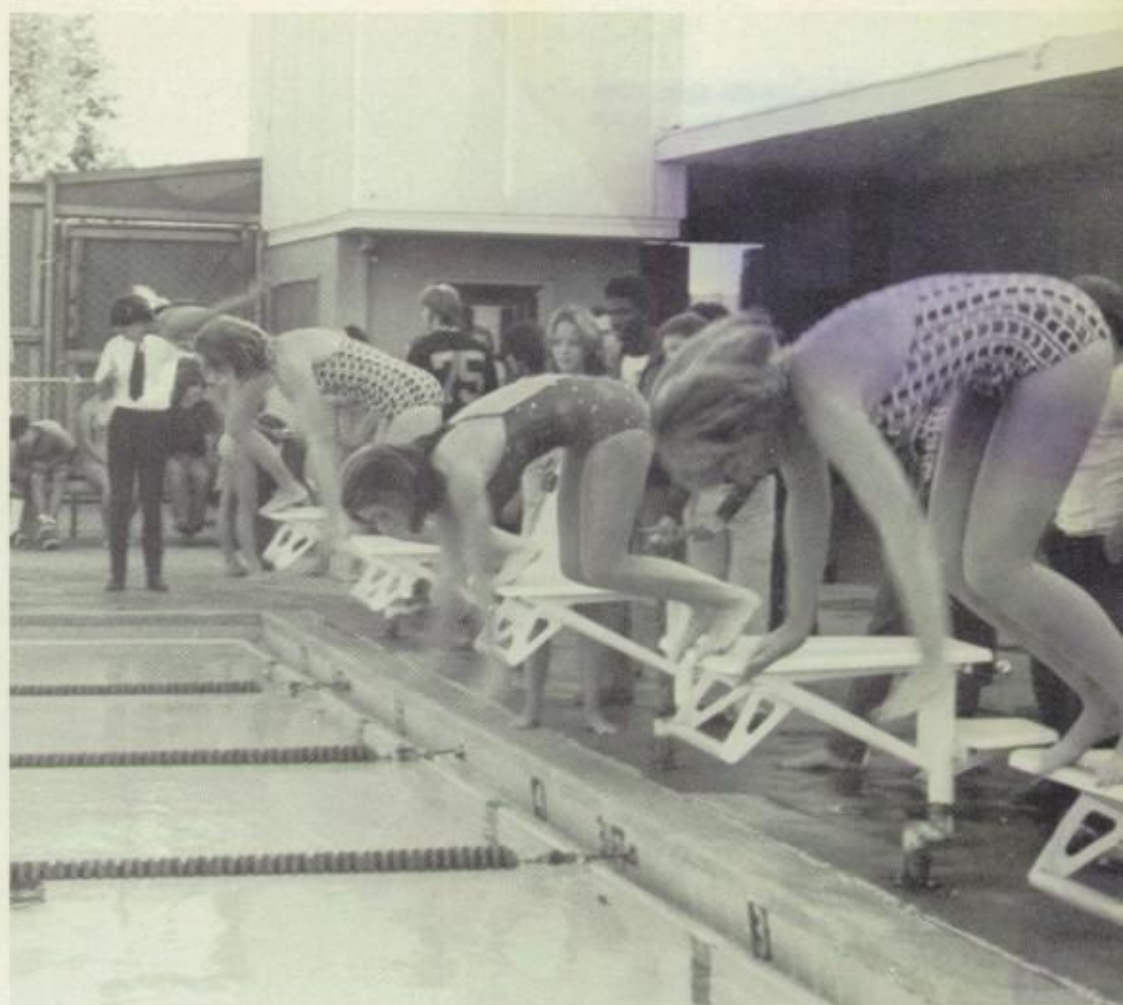

Sophomore Joan Barney topped the league in the 50 yard Freestyle and had a second place finish in the 100 yard freestyle. Joan qualified for C.C.S. in the 50 yard free style.

Sophomore Marcia McBride dove to a first place finish in the league as well as an eight place finish at the Region III meet. Marcia was the only diver from M.H.A.L. to qualify for C.C.S.

The Junior Varsity 200 Free Relay with Kris Craddock, Joan Barney, and Cindy Bartness qualified for C.C.S.

The Junior Varsity Swim Team is looking forward to a victorious season next year as a varsity team.

The Cards are now 4 and 2 in league competition with 4 games left in the 1977-78 basketball season. Our big game against the defending league champions Santa Teresa was a well played game filled with excitement. When the buzzer sounded at the end of over-time, the Cards were down by 3. The Cards' second loss was against the Silver Creek raiders who sneaked by with a score of 28-30. Laura Hall and Christina Hester, veterans from last year's team, are back together on the boards and sharing high point scores in all our games. Rosalind Jones and Sandy Arredondo have shown a lot of hustle as our playmakers. Lori Mack, Liz Arredondo (Sr.), Marcia McBride and Marion Alves share the wing position. Diana Lewis and Melonie Ray have been assisting the Cards in the forward position. Next year the Cards are looking forward to the best season in the history of M.P.H.S. with 9 players expected to return.

Coach Kinnard

Coach Kinnard, Diane Lewis, Laura Hall, Christina Hester, Melonie Ray. SECOND ROW: Rosalind Jones, Marion Alves, Marcia McBride, Sandy Arredondo, Lorie Mack. Last but not least Liz Arredondo.

LEFT TO RIGHT: Melanie Black, Becky Price, Terri Douglas, Coach Moak. SECOND ROW: Debbie Fox, Yvette Rodriguez, Michele Fisher. THIRD ROW: Yvette Dumas, Joselyn Daysog, Debbie Scott.

The Mt. Pleasant Girls Junior Varsity Basketball Team has four returning this year. The team has an 8-5 record at this time with 4 games left to play. Becky Price has scored a total of 109 points thus far in the season. Terri Douglas, Melanie Black and Becky Price have done a good rebounding job. Joselyn Daysog, Michele Flowers and Yvette Rodriguez have had many steals. Debbie Fox has done well as ball handler. With a total team effort the girls should look forward to a winning season.

Coach Moak

Varsity Soccer

With only 3 returning players the Cardinal Soccer team kicked its way to a successful 8 wins, 1 tie, 4 loss season. The season's high point was MP's defeat of the previously unbeaten League Champions Silver Creek.

The team was led by all league players, Billie Wingo and Taunya Eckhardt. Sophomore halfback, Debbie Schreiber was selected as the MHAL's Most Valuable Soccer Player.

The future looks bright for Mt. Pleasant Girls' Soccer. Eleven of the fifteen varsity players are only freshmen and sophomores. This talent should enable the Cardinals to continue developing as a power in the most popular sport — soccer.

Coach Mundy

TOP ROW: Billie Wingo, Ellen Bauer, Beverly Glass, Grace Soto. SECOND ROW: Cida Alvernez, Taunys Eckhardt, Mary Bauer, Diana Barnhart, Maurine McBride. THIRD ROW: Debbie Schreiber, Cindy Bartmess, Valerie DeFiesta, T. Flores, Dora Aguilar, Stacey Epp.

This year's J.V. soccer team showed a lot of improvement. They worked hard and gained respect for their soccer play from their opponents. We look forward to many returning players next year. Thanks for a good season girls.

Coach Iversen

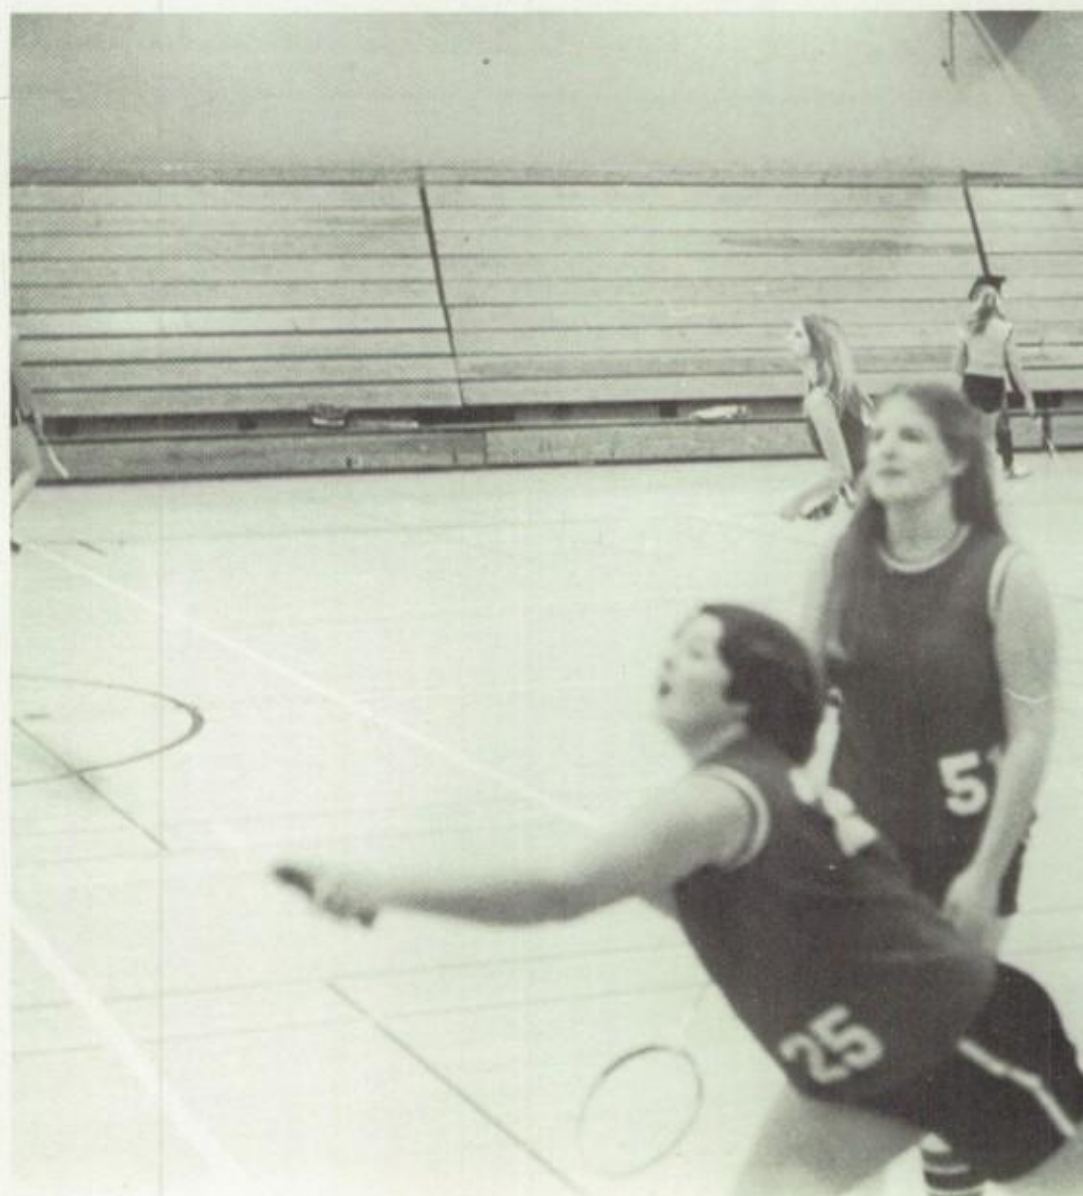

FIRST ROW: R. Martin, T. Gomez, S. Livergood, T. Flores, E. Madriaga, D. Kitijima. SECOND ROW: K. Hernandez, M. Munoz, G. Luck, T. Maxi, T. Munoz. THIRD ROW: Coach Morrone, C. Havis, C. Oberdick, E. Bauer, M. McBride, N. Raub, C. Martinez, D. Miller, B. Richardson.

The Girls Badminton team is a very young and inexperienced team. With only three seniors on the team it's been a very rough season. Our spirit has stayed very high, even though all the hard times. Next year will be a more successful season for us. Almost all of our players will be experienced and know more about badminton.

Coach Morrone

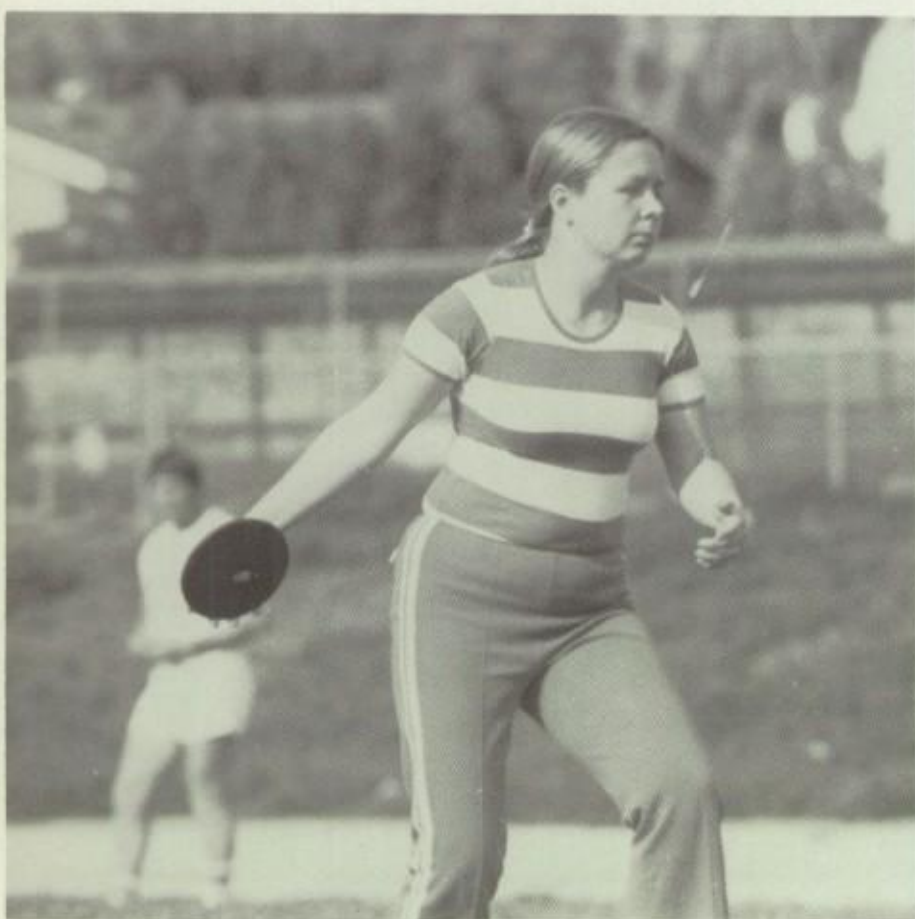

After posting their best ever record of 4 wins and 1 loss in league competition, the 1978 girls track team will be shooting for their first ever M.H.A.L. championship this season.

Leading the way will be Esther Hall and Monique Jones off last year State Meet 440 relay team. Other outstanding prospects will be Chindi Deal, Rosalyn Jones, Kandi Jones and Linda Washington in the sprints, and Rosalyn Jones, Yvette Butler and Angel Priebe in the hurdles.

Middle distance and distance will be led by Chris Hester, Georgette Harris, Becky Price, Connie Ahlberg, Christine Sier, Denice Gonzalez, Kris Craddock, Joan Howell and Madeline Clark.

Field event standouts should be Rosalyn Jones, Jolene Holbert, Melanie Black, Sherry Mack and Toria Wyrick. The 440 and Mile relay will have an excellent shot at state meet once again this year.

Coach: de Diego

This year Girl's Varsity Softball is looking very strong at this time with seven returning players. We're very enthusiastic about our season after beating two non-league teams.

Coach Iverson

The Cardinal Junior Varsity Softball team had a very successful 1977 season, eight wins, one loss, and second place in the Mt. Hamilton Athletic league. This year's team faces a twenty game season, but five players are returning from last year's squad, including the Most Improved Player — Stephanie Turpin and the Most Inspirational Player — Sonia Mendez. Other veterans who are expected to contribute to another successful season are Alice Garcia, Yvette Rodriquez, and Kailene Ross.

Have you ever noticed who helps with the audio-visual part of rallies, games, and other various school activities? It's Kevin Merrill, a graduate of Mt. Pleasant. He's been working here for three years. He also assists Mr. Lillo with many electronic problems which may occur at school. Without Kevin our school activities would be unsuccessful. Mt. Pleasant owes a great deal of thanks to Kevin. Hopefully he will continue to help us for many years to come.

Through many long hours, and sometimes our weekends, the yearbook staff put forth a great deal of effort to present to you, the students and faculty of Mt. Pleasant High School, what we hope to be a good yearbook.

Making a successful yearbook out of the opinions of seventeen people to please over 2000 people is not an easy job. Together as a group we had to work for many hours until we could produce a book that is in harmony, and appears to have been made by only one person. We had a few downfalls, as you can see below, but we did get it together, and we hope you enjoy it.

We would like to thank the many people who made our job a lot easier, especially Mrs. Bautista's Retailing class, who sold yearbook ads. A special thanks to Mr. Yamaki for helping us through our first year, and to Mr. Johnson for making such a great effort and taking on the responsibility. We had a very good year.

This year's retailing class helped very much in the production of the 1977-78 yearbook. Selling more than \$2,000 worth of ads they help to keep the cost of the yearbook at a minimum. Each year the retailing class works very hard selling ads and the yearbook staff wishes to thank them. They also help with the selling of boosters ads. The yearbook staff extends their thanks and the best of luck in the future.

Mrs. Bautista

Foreign Exchange

When I came here, I was a little afraid because everything was so different in California than it is in Finland. But a great family and good, new friends have helped me and made everything much easier. I don't know if I could ever thank all of you, my family, friends, and teachers, enough for being so helpful, nice and patient with me. You have taught me many new things and have shown me how nice people are in San Jose, especially at Mt. Pleasant High School. I have enjoyed staying here more and more every day, thanks to you. I hope I haven't made too much trouble for all of you, and that you have learned something new about my country, Finland. I hope too, that maybe some day you can visit Finland.

KIITOS PALJON — thank you very much and
NAKEMISIIN — see you later.

Thank you very much, Tiina from Helsinki, Finland.

Suddenly surrounded by roads going in all directions, the freshmen hesitated to lead, but refused to follow anyone else. United as a class, they proceeded ahead, each seeking the trail he was best suited for.
